12.9 Zdania z wyrazami zaczynającymi się od: **t, u, v, w, z**
Część 6/9 Zdania **101a - 123hd – klucz**

Uwaga: Poniższe angielskie zdania nie zawsze są jedynymi możliwymi tłumaczeniami polskich zdań z ćwiczeń. W nawiasach umieściliśmy alternatywne słowa lub amerykańskie odpowiedniki brytyjskich słów.

Ćwiczenie **1/1**

zdania z czasownikami	**zdania z rzeczownikami**	**zdania z przymiotnikami lub przysłówkami**
101a. Senselessly, the hooligans vandalized the club they themselves often came to (visited).	101b. Some vandals ruined the birds' nests in the park. 101c. Can you explain the phenomenon of vandalism?	101d. We took the vandalized bicycles (bikes) to the garage (workshop).
102a. Sabina's answers vary depending on the mood she is in. (Sabina's answers vary depending on her mood.)	102b. How many variables are there in the equation? 102c. Sam says (that) the variability of tasks (jobs) doesn't allow him to get bored. 102d. Which variety of potatoes will you grow this year? 102e. This variant of the device has a few important flaws.	102f. Our camp offers children (kids) various, interesting activities. 102g. Not everybody easily adapts to such variable conditions. 102h. Why do you invariably put on that black dress when you go to church? (Why do you invariably put that black dress on when you go to church?) 102i. Varied experiences enable us to better understand the surrounding world. (Varied experiences enable us to better understand the world that surrounds us.) 102j. The sculptor is known for his invariable commitment to maintain the high level of his performance. 102k. If you track the movements of hundreds of ants around their anthill when they transport the food they find in the forest to their home, you can notice that they invariably try to navigate along the shortest possible routes.
103a. Ted says (that) there is no sense to	103b. I know (that) I should eat more vegetables.	103e. How long has his grandmother

Copyright by ADL Publishing Elżbieta Żółtak 2020

allow incurably ill (sick) people to vegetate.	103c. The vegetation is varied there. 103d. Why did Dominick decide to become a vegetarian (veggie)?	(grandma/granny) been living in the vegetative state?
104aa. The rangers say they don't veil their faces since they have nothing to hide or be ashamed of. 104ab. They are proud they are protecting the endangered species and are not allowing the poachers to hunt friendly animals, like for example elephants and rhinos, to get their tusks. 104ba. Some say it is important to unveil the compromising data concerning the scale of the frauds and embezzlements in which the fraudulent officials have been implicated. 104bb. Others believe that you should never trust the crooks. 104bc. You need to protect yourself in such a way that the pranksters are never again able to make a fool of you.	104ca. At twilight a queue formed. 104cb. Everyone wanted to touch and feel the texture of the white lace veil which (that) was covering the statue of a jaguar. 104cc. In its mouth the wild cat was carrying a bundle of flax cloth with a healthy newborn human baby inside.	104d. If the situation is tentative, act very reasonably and choose the most carefully veiled comments.
105aa. The members of the revision commission didn't vent their strong frustrations on their venal colleagues from the development department. 105ab. They discussed calmly and sensibly how they	105c. Thanks to a dense grate, the wasps that are on the outer side of the vent won't get into the kitchen in the basement. 105d. It was a very hot and windless day and it was difficult to breathe so Monica turned on the ventilator and got down to doing her homework.	

Copyright by ADL Publishing Elżbieta Żółtak 2020

could stop the villains from causing further harm. 105b. The gardener told his helper to ventilate the greenhouse well and weed the patches with lettuce and radish seedlings.		
106a. Victor can verbalize his arguments very well.	106b. In a language there are more nouns than verbs.	106c. We'll check if you can repeat the whole chapter verbatim. 106d. Do you believe (that) a course can teach you verbal skills?
107a. We still haven't verified a few facts.	107b. After the verification the data turned out to be correct. (After the verification it turned out that the data was correct.)	107c. Is the testimony verifiable? 107d. According to a still unverified version of the events, the number of storks that arrived in the village this spring is twice as big as last year. 107e. "Once the evidence is destroyed, the data obtained by the prosecutor so far will be unverifiable and therefore useless for the court proceedings," the counsel for the prosecution pointed out.
108a. Alfred didn't want to make any embarrassing blunder as he suspected that a great deal of responsibility had been vested in him.	108b. With so many pockets in your vest, how can you remember where you keep the comb, paper tissues, your IDs or the wallet? 108ca. The bullet proof vests producer claims that he gives a hundred per cent guarantee that their products are the best available on the market. 108cb. He assures their clients that they have never had a single complaint questioning the quality and reliability of their articles.	108da. To secure all your future vested interests in that friendly to you state you need to work out a compromise which (that) each of the sides will agree to. 108db. It seems the country's leaders are willing to accept the financial assistance and industrial development programs which (that) you have been promising them and have been campaigning so vehemently for. 108dc. Allegedly, your

Copyright by ADL Publishing Elżbieta Żółtak 2020

		specialists have prepared them already and they assure everybody that the implementation of the schemes they have developed will put the country's economy on the right track. 108dd. This, according to your predictions and visions, should create lots of new jobs. 108de. The citizens of the country will presumably be much happier, as they will gradually become full-fledged Europeans. 108df. The country's official representatives might just be waiting for more concrete details concerning the conditions of the business contracts which (that) you want to offer them.
109a. The lyrics of the song about freedom still vibrated in Jimmy's ears as he was leaving the venue where the memorable concert took place.	109b. You can check if rodents are sensitive to seismic vibrations by comparing their behaviour (behavior) with what the instruments which (that) measure the strength of oscillations of the waves indicate.	109c. Amid all the tumult, few sensed slight vibrational tremors coming from under the ground. 109da. This time the door was unlocked and the group of friends could peek inside. 109db. The atmosphere in the bar was vibrant, the ensemble was playing and lots of young people were enjoying themselves enormously.
	110a. We would like to ask you if by now you have understood how you have allowed the merciless world of vice to slip completely out of your control and ruthlessly steer you and make you a powerless puppet in the hands of the villains, despite the existence of the law	110da. The foreign tourist was trekking vigorously across the national park. 110db. Suddenly he was stopped by a vice-like grip on his right shoulder. 110e. The spokesperson of one of the sides confirmed that the vicious allegations that there appeared some

Copyright by ADL Publishing Elżbieta Żółtak 2020

	enforcement mechanisms, the police forces, the CIA, the FBI and other similar organizations? 110b. The vice-president is expected to announce the new import tariffs as well as the changes in the duties and excise taxes. 110ca. The experiment has been prepared to present how the regime based on the idea of the multiple vicious circles functions. 110cb. In this enterprise the vicious circles are powered by all sorts of evil. 110cc. The evil dictates the rules and the persons who (that) are entangled within the structure of the circle behave according to those rules. 110cd. The activities of those people cause a lot of negative consequences. 110ce. They concern the persons who (that) are imprisoned within the system of the vicious circles as well as those who (that) try to keep off them and avoid any sort of evil. 110cf. They usually depend on those who (that) function within the system of the circles anyway and therefore become victims of the evil committed by the insiders. 110cg. Some of the outsiders make every endeavour (endeavor) to end the supremacy of the ill-conceived idea of the evil which (that) rules the world. 110ch. Yet they can't change the brutal, ruthless and oppressive regime without the simultaneous activities undertaken by the persons	insignificant differences in the opinions between the sides of the triangular agreement are completely unfounded. 110f. Whenever you are designing a pattern of a relationship including an action-and-reaction sequence, before you validate it, check how it functions in one direction and then in the opposite one. 110ga. It seems that the HJs get their full satisfaction when they manage to suppress you into a complete psychological and economic submission. 110gb. It means that they have reduced you to the role of their serf and they can deal with you the way they choose. 110gc. Once they figure out effective ways of suppressing others, they like to inform their brothers and sisters all over the world about it. 110gd. They popularize their ideas so that also other members of their tribe could enjoy the supremacy over their slaves. 110ge. HJs protect their interests in a variety of ways. 110gf. For instance, the legal system they have created enables to prosecute crimes like: theft, assault, fraud or murder. 110gg. Those who (that) commit them and get caught can be brought to court.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	who (that) act within the system of the circles of evil. 110ci. Those who (that) function inside can also make every effort to change the flawed system. 110cj. Probably some of them already know that the regime which (that) has served their interests so well must disintegrate anyway and this will happen rather sooner than later. 110ck. Some of the insiders still have a choice. 110cl. For instance, they may continue to obey the rules which (that) govern the functioning of the circles of evil and accept the fact that they can be destroyed by those who (that) are more deceitful and cruel than they themselves are. 110cm. Instead, they can resist the evil and facilitate changing the fraudulent system. 110cn. They can undergo sincere soul-searching and try to cleanse their souls. 110co. They can act honestly, unmask frauds and reveal offences which (that) are being committed. 110cp. Thanks to that they can live with the hope that one day they will redeem their past sins.	110gh. If the viable evidence which (that) has been presented to the court confirms their guilt, the criminals can be sentenced by the judges. 110gi. At the same time the HJs have rendered the legal system rather indifferent to other sorts of anti-social behaviours (behaviors). 110gj. Domestic violence, sexual crimes or psychological harassment as well as different forms of stalking and mobbing are rarely properly recognized by the law enforcement system. 110gk. The system they have created and which (that) they skilfully (skillfully) manage allows the HJs to hold almost absolute power. 110gl. It also makes it easy for them to dominate in every field of human activity. 110gm. Few individuals can stand up to them, challenge their hegemony and jeopardize their dominant position in the world. 110gn. There are people the HJs fear, though. 110go. For example, they are afraid of decent persons whom they are unable to suppress. 110gp. Righteous individuals whom they are unable to accuse of serious crimes pose another threat to them. 110gr. They can't sue such persons in their legal court

Copyright by ADL Publishing Elżbieta Żółtak 2020

		of law and then officially sentence them and remove from the society for a proper period of time so that to eliminate the potential danger they pose to them. 110gs. Individuals whom they are unable to blackmail in a cunning way also threaten the supremacy of the HJs. 110gt. They are unable to force such individuals into presumably voluntary psychological and physical docility. 110ha. It is probable that the self-preservation instinct of the HJs tells them that the best way for them to survive is to make others depend on them and cleverly abuse other people psychologically and physically. 110hb. It is also possible that some of them are aware of the fact that their selfish behaviours (behaviors) bring about negative selection, which does no good to the human species. 110hc. The selection realizes itself through systemic and systematic persecution and harassment of righteous and decent human beings, which, as a result, leads to their dying out. 110hd. The negative selection brings replacing decent individuals with a powerful army of selfish and ruthless expansionists who (that) do only the things which (that) allow

Copyright by ADL Publishing Elżbieta Żółtak 2020

		them to satisfy their own needs. 110he. Such individuals will eventually lead their species to self-destruction.
111aa. Teddy views every challenge as an opportunity to learn something new and as a test of his abilities to adjust to the new circumstances. 111ab. A new situation usually requires from him taking appropriate, responsible and reasonable decisions. 111ac. Teddy has to react in accordance with his conscience and his inner sense of what is right. 111ad. Before he makes his decisions, he has to take into consideration the conditions the new situation creates and the possible choices which (that) are available to him.	111ba. Sometimes the view doesn't please your eyes but you can't do anything to make it become beautiful. 111bb. Then look around you carefully. Perhaps you will spot something pretty within your eyesight and you will be able to look at it with pleasure. 111ca. The viewers watched the persons who (that) were supposed to co-operate with each other and were a bit confused. 111cb. They noticed that the talkers disagreed with one another, but they didn't understand what the cause of their disagreement was. 111da. Monty's flatmates wanted to get to know his viewpoint on a certain controversial matter. 111db. They teased him and tried to annoy him by asking tricky questions. 111dc. They thought his veneer of calmness would crack, Monty would become angry and would say something improper or even derogatory.	
	112aa. Vigilance must be meticulously planned and perfectly programed (programmed). 112ab. If a round-the-clock vigil is ordered, you must absolutely trust those who (that) do their duty. 112ac. You also need a transparent system which (that) can instantly expose	112ca. A lion doesn't have to be as vigilant as an hare. 112cb. The first can defend itself against many potential attackers. 112cc. The latter has many enemies against which it feels powerless.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	every mistake made by the persons who (that) keep the vigil. 112ad. You must have enough time to react properly in a situation when a guard makes a mistake. 112ae. Your correct reaction will prevent the negative consequences of an error in the functioning of your defence (defense) system which (that) your irresponsible guard made. 112ba. Fortunately you have already seen it in many films and you know what can happen if your vigilantes fall asleep while on duty. 112bb. Your enemies can take advantage of the situation. They will sneak into your camp, attack you and you will find yourself in big trouble.	
113aa. To assure yourself that your opponent is completely untrustworthy and therefore negotiating with him makes absolutely no sense, you need unquestionable proofs. 113ab. To test his credibility, note a great deal of facts, collect convincing evidence supported by the testimonies of many witnesses and make it clear to him that you know them all. 113ac. If, despite that, all he does is to vilify every argument which (that) is presented to	113ba. It's crucial to be able to make a distinction between those who (that) criticize you and those who (that) vilify you. 113bb. Criticism, if taken seriously, can be very constructive. 113bc. It can motivate you in a positive manner and lead to self-improvement. 113bd. The aim of vilification, on the contrary, is to insult, discredit and humiliate you. 113be. It seems that people who (that) don't care about becoming a better person do not have much respect for others and often resort to vilification. 113bf. They behave as if they concluded that the best way to promote themselves and their own ideas as well as	113da. There is only one way you can efficiently compete with the individuals who (that) are vile, tremendously intelligent, power-thirsty and ready to do anything in order to maintain their absolute might. 113db. You must constantly outsmart them and you can never let your emotions run away with you. 113e. If you reward villainous acts by offering material gains to those who (that) implement vicious schemes and you punish noble activities by impoverishing those who (that) perform them, you are certainly promoting vice.

Copyright by ADL Publishing Elżbieta Żółtak 2020

him by you, you need to face up to the truth reasonably and realistically. 113ad. You can no longer trust or believe that influential public figure, because he constantly proves that he is just a selfish, notorious liar. 113ae. It's also time to make an assessment of your own persona. 113af. If despite the evidence which (that) testifies against him you continue to support him, you will prove, sadly, that you are not much better than he is.	protect themselves from the critique of those who (that) disagree with them is to ridicule and disgrace others. 113ca. Stanley suspects that his superior is a villain. 113cb. Stanley fears that as long as he is his inferior, the boss will never treat Stanley fairly (fair).	
114a. It is alleged that the crew members of the foreign ship are ready to undergo any necessary tests that can help vindicate their stance.	114ba. People expect obvious acts of racism to be exposed and those who (that) commit them to be prosecuted. 114bb. Such actions are a good vindication of the anti-apartheid strategy. They are much better than informing the society about allegedly important political meetings which (that) are taking place behind closed doors.	114c. Damian denies that there is any convincing evidence that a vindictive plan existed or that some sort of a vindictive action took place.
115a. When are you going to visit your grandparents?	115b. How long did the Prime Minister's foreign visit last? 115c. The visitors often try to sit down in the king's throne. 115d. What visitation is Sebastian afraid of?	115e. Are you going to the meeting with the visiting lecturer?
116a. Which country was the first to violate the international treaty?	116b. Should the violators of the environmental protection law be punished more severely? 116c. There is no justification for senseless violence. 116da. Non-violence is the principle which (that) all those who (that) sat down at	116ea. Martin works in a school for violent students. 116eb. If you criticize him, he may react violently. 116fa. "The Global Immunization" is a known charitable organization which (that) has carried out plenty of successful, in

Copyright by ADL Publishing Elżbieta Żółtak 2020

	the negotiation table allegedly respect. 116db. The aim of their meeting is to choose the best ways which (that) will allow the quarreling sides of the conflict to solve their mutual problems between themselves, without any intervention from the outside.	terms of their interests, actions. 116fb. These, among others, included: non-violent protests, negotiations concerning the conditions of business contracts and novel procedures of imposing sanctions against those who (that) refuse to accept their programs. 116fc. Now everybody can again watch the actions of the activists of the organization who (that) have become famous due to their participation in the numerous previous campaigns. 116fd. Looking on and learning from the extensive experience of their experts everybody should be able to draw their own sensible, useful and instructive conclusions.
117a. Before appearing at the conference Mariola visualized her presentation.	117b. Do you use visualization when you train your gymnasts? 117c. If people accept your vision, they'll follow you. 117d. Visionaries are both creative and ingenious. 117e. Apparently the vision of the future presented by Florentyna isn't encouraging. 117f. The day was bright and the visibility was wonderful. 117g. Did anybody take my invisibility hat?	117h. The changes in the cells are still invisible. 117i. Your father was visibly nervous when he found out about the drop in the stock exchange. 117j. How many false leaders without any visionary ideas do we have? 117k. The boy may be mentally retarded, but his incredible visual memory enabled him to be an artist. 117l. The moon will soon be visible.
118a. A lot of young people volunteered to go to Africa and take care of children infected with HIV/AIDS.	118b. What are the requirements to become a volunteer?	118c. They say (that) they followed (spied on) her involuntarily for two years. 118d. How many people took part (participated) in the voluntary action of

Copyright by ADL Publishing Elżbieta Żółtak 2020

		cleaning (up) the beach?
119a. The more precisely Gregory vocalized his arguments the more accurately those who (that) talked with him responded to them.	119b. When the idol appeared on the stage in his traditional outfit and jewellery (jewelry) and the female part of the audience heard the characteristic vocal, the hysterical screams of adoration burst out with full strength. 119c. The inflammation of the vocal cords kept Mary on sick leave for a week. 119d. The scale of the vocalist's voice seems to transcend any limits of physical capabilities which (that) have been known until only recently. 119e. The course is apparently designed for those who (that) need to express themselves clearly but sometimes encounter problems with the vocalization of their actual thoughts as well as explaining the sense of their ideas.	119f. Thanks to the interesting timbre of the singer's voice the vocal interpretation of the famous piano piece is very special. 119g. If the participants of the symposium express their opinions vocally it means that there are no misunderstandings over the sense of their utterances.
120a. Did all Afro-Americans vote for Obama?	120b. The candidates fiercely fight for the support of the voters. 120c. With this amount of votes you won't get to the next round. 120da. Voting allows to choose the most popular candidate, meaning, the person who (that) has been promoted by the media the best. 120db. Unfortunately, this person may not at all be the wisest and most responsible contender.	
121aa. It is alleged that it will soon be clear what options the ruthless ruling leaders are left with.	121ba. The level of violence and vulgarity of the movie scenes, particularly in case of the pictures which (that) are awarded at famous festivals,	121ca. Experienced diplomats know that vulgar language combined with camouflaged threats and warnings will neither solve

Copyright by ADL Publishing Elżbieta Żółtak 2020

121ab. Some wonder whether they have already reached the point when they can do nothing except vulgarize the noble ideals of freedom, respect for human rights and peace between different nations. 121ac. Or perhaps it's time for them to prove that their actions result from their true respect for other people and the rules of law.	is not accidental. 121bb. For films quite accurately reflect the feelings, thoughts and opinions of their creators. 121bc. Distinguished movie makers are usually very honest and they sincerely tell their audience how they personally view the state of current socio-political affairs, which they are observing very attentively.	any problems nor improve the mutual relations between the sides of a social disagreement. 121cb. As professionals they need to reasonably weigh up all the pros and cons, take the most sensible decisions and prompt actions which (that) guarantee the improvement of the situation and offer chances of finding the satisfactory solutions to the problems.
122a. Mother waited until her daughter untied the knot on the string the bag was wrapped with and then they took out the pears and plums the girl brought from her aunt's orchard.	122ba. The waiter was to serve wealthy and ostentatious customers so he expected a generous tip. 122bb. Yet when he was carrying a tray with a bottle of very expensive champagne, a little boy stepped on his toes. 122bc. The man swung, the bottle tilted, slipped from the tray, fell to the tiled floor and broke. 122bd. The restaurant owner didn't intend to ignore the unfortunate incident. 122be. He told his employee to pay for the loss of the precious beverage. 122c. When a waitress with a pretty, tanned face came to the table the traveller (traveler) ordered tuna salad and a glass of water. 122da. Ulryk found out that someone else had been appointed to the post he had applied for. 122db. He was told that if he was interested in applying for some other position in the company, his name could be placed on the waiting list.	

Copyright by ADL Publishing Elżbieta Żółtak 2020

	122ea. The tonsils had hurt Eleonore for a few days and she suspected a bacterial infection so she decided to see the laryngologist. 122eb. When she entered the waiting room she saw some patients inside. 122ec. There were still several seats available so she chose the chair which (that) was the closest to the door to the doctor's office.	
	123a. How many thugs have been prosecuted and punished since the police declared war on human trafficking and child abuse crimes? 123b. If nobody comes to the rally you are organizing, you won't tell people that when the aggressors have been defeated they will start paying for the war crimes they have been committing. 123c. If you want to win over devoted warriors and you can't offer them money for their services, your ideology must be very convincing and based on obvious and unquestionable truths and facts. 123da. Psychological warfare requires a great deal of knowledge, patience and diplomatic skills. 123db. Activities usually consist in prolonged, custom-designed testing of the chosen individuals. 123dc. For recognizing who is likely to be, perhaps only in the given circumstances, your friend, enemy or frenemy, can be actually very tricky. 123ea. The leaders of the Mafia Formations and	123ha. Instead of obviously aggressive ones, your competitors use subtle and much more efficient warlike strategies. 123hb. First they cleverly lure you into their web and you enter it seemingly voluntarily. 123hc. Then they entrap you in it very thoroughly. 123hd. If you don't succeed in getting yourself out of the net, you will forever remain dependent on its supervisors and will only be able to jerk and twist inside it.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	their befriended warlords have seized control over all the major media and public offices and institutions in town. 123eb. The possibility though still exists that some of those who (that) work there are not totally bad and corrupt. 123ec. Wartime can give them a unique opportunity to prove whether they support the Mobsters or the Anti-Slavery Movement. 123fa. In case selfish and conceited individuals somehow managed to make their way onto the warship you command you mustn't allow them to spoil anything. 123fb. Try to exploit their natural talents so that their abilities would benefit both of you. 123fc. In this manner, instead of waging war on them, you can have them as your allies. 123ga. The discussion Patrick watched on TV was supposed to answer the question how the sides of the conflict could resolve their differences peacefully. 123gb. But as it was progressing it began to resemble a war of words. 123gc. Some speakers used aggressive, provocative language and sounded not like level-headed pragmatists but like warmongers. 123gd. Patrick wondered if the speakers were capable of coming up with any sensible solution to the conflict between the sides.
