|---|---|---|
| of his extended family, should he? | | |
| 6aa. There is no reason to dislike a creature that knows how to do the things that are very useful for you.<br>6ab. You'd better tame it and treat well. | 6b. An experienced tamer wouldn't risk losing control of the tiger which (that) is performing the learned tricks on an arena. | 6c. This wild cat seems tame but don't tease it unnecessarily as this can unnerve it.<br>6d. Quite a number of untamed wild animals roam the forest. |
| 7a. When will we be able to taste the cocktail made by you? | 7b. There are so many testers of powders here that I don't know which to choose.<br>7c. This wine has a strange taste, doesn't it?<br>7d. Don't you think that Frank doesn't have good taste? (Don't you think that Frank has bad taste?)<br>7ea. Barbara has developed deep distaste for taking vengeance.<br>7eb. She claims that if the situation looks uncertain, vengeful people can make it become even more perilous. | 7f. To me this interior is tasteless.<br>7g. Kinga believes that the most tasteful things have been created by nature.<br>7h. The meat could have been a bit more tasty. |
| | 8aa. Many people assume that humans should be able to satisfy their desires.<br>8ab. At the same time, many of us acknowledge that for the state, which is supposed to secure our safe existence, to function, we all, particularly those who (that) run their own businesses, have to pay taxes and obey the law.<br>8ac. Therefore, once the representatives of the HJ stream secured their positions of decision makers in the society, they began to consider how, in practical terms, clever development, taxation and law enforcement could help them become even richer and more powerful.<br>8ad. The HJs understood that | 8da. The farmer took pity on a homeless wanderer and allowed him to live under his roof.<br>8db. Yet he soon realized that since then, in a mysterious way, whatever he was doing was taxable, in one form or another.<br>8ea. Fabricio started to boast that his products were very cheap because they were tax-free.<br>8eb. Allegedly since then his firm has begun to thrive.<br>8f. Ask the clerk about tax-exempt bank deposits.<br>8g. Do you tend to do the most taxing jobs (by) yourself or you prefer to leave them to others? |

| | | |
|---|---|---|
| | they had to govern in such a way that no suspicions were raised among the other members of the society.<br>8ae. It meant that the representatives of the HH stream were to become powerless poor citizens, but they were never to find out how and why.<br>8af. It was equally important that the victims of the craftily arranged system could never prove that they were discriminated against.<br>8ag. The system also had to be secured in such a way that the persecuted persons could never change it.<br>8ah. It was to be always and exclusively controlled by the representatives of the HJ stream.<br>8ai. There are many ways of masking the reality and creating the appearances of lawfulness and the HJs craftily used a variety of tricks which (that) were giving them numerous advantages.<br>8aj. For instance, although on the face of it all businesses should be taxed according to the same rules, the firms run by the HHs can be scrutinized more thoroughly by the tax inspectors than the companies run by the HJs.<br>8ak. Tax dodgers, if they are identified as HHs, can be followed, punished and ostracized, while HJs who (that) avoid paying taxes or commit tax evasion offences can discretely go unnoticed.<br>8al. Additionally, temporary tax breaks can be introduced to significantly help HJ entrepreneurs who (that) have | |

|---|---|---|
| | promising business ideas.<br>8am. There are many other possibilities. Fast developing fields which (that) promise huge revenues include not only science and technology but also various forms of entertainment and all kinds of media enterprises.<br>8an. Moreover, it's highly probable that the ventures which (that) are successful in one place will become profitable all over the world, since people's needs are the same everywhere.<br>8ao. Therefore, successful HJ entrepreneurs who (that) reign in certain market brands, can be cleverly showcased.<br>8ap. With the help of the mass media, they can be promoted as show-off idols so that the naïve HHs start perceiving them as the role models to be followed.<br>8ar. Thanks to their popularity, the celebrities can generate enormous profits and become prime taxpayers who (that) provide the state budget with steady incomes in years to come.<br>8as. The meticulously structured system of preferences, tax relief procedures and clandestine protectionism actually worked very well.<br>8at. It enabled the HJs to lead very comfortable lives.<br>8ba. However, some HJs were very greedy. Despite the preferences which (that) had been arranged for them, they were unable to satisfy their thirst for power and wealth.<br>8bb. There were also | |

| | | |
|---|---|---|
| | the ones who (that) constantly invented new mechanisms of tax shelters and ways of outsmarting the tax collectors.<br>8bc. Others still modified the system which (that), unfavourably for the rich, lessened their fortunes due to all sorts of financial obligations.<br>8bd. The phenomenon of tax avoidance was born.<br>8be. Crafty HJ entrepreneurs, who intended to keep to themselves the biggest possible part of their fortunes, discreetly befriended suitable lawmakers and secretly shared a fraction of their wealth with them.<br>8bf. They in return introduced suitable legislation and created tax havens.<br>8bg. Now the business people could keep their money to themselves in a lawful way.<br>8bh. As tax exiles they could freely move their financial fortunes to the places which (that) were more convenient for them.<br>8c. The taxman put on his thick glasses and began a thorough examination of the ledger of the flip-flop manufacturer. | |
| 9aa. You can definitely teach the youngster to play the trombone.<br>9ab. Yet if he hasn't got musical talent and doesn't feel the vocation, he will never be a really great player. | 9ba. Teaching can engage students in working activities that require a lot of effort from them and allow them to gain meaningful personal experiences.<br>9bb. This way of gaining knowledge is far more effective than conventional lectures and marked tests.<br>9c. Which textbook has the teacher chosen for his students this year? | |

| | | |
|---|---|---|
| 10a. Malcolm confirms that those who (that) teamed up with him while he was realizing his project, to some degree influenced him when he was making his decisions. | 10ba. It was the most unusual team. While the captain set high moral standards and behaved modestly, his teammates were propagating lavish parties and expensive games.<br>10bb. The most selfish ones didn't like him because he was incorruptible.<br>10bc. They thought that thanks to teamwork and immoral tricks they would manage to get rid of the inconvenient commander. | |
| 11aa. Kamil wondered if there was anything untoward in the document he had prepared.<br>11ab. When the owner of the fleet of trawlers read it he got angry and tore it up.<br>11ac. Kamil had to print the file with his text again.<br>11b. When the muscle tissue was torn apart the medics studied its structure. | 11c. The velour case on the cushion has a small tear. Is that why the girl is weeping?<br>11da. We didn't expect to see tears in Adam's eyes when he accidentally cut his thigh with a pocket knife.<br><br>11db. Adam has always been believed to be a tough guy.<br>11dc. It means that it must have been an exceptionally painful experience.<br>11e. After the trespassers had been treated with tear gas, they quickly retreated from the monitored zone. | 11fa. The tabloid printed another tearful story with a happy ending.<br>11fb. Perhaps they want to tantalize their readers with the help of a common stratagem (ruse): "Confide in us and tell us your secrets and maybe you will get our help."<br>11ga. The state has always sent their most astute and experienced reporters to conflict-torn regions.<br>11gb. The leaders of the country know very well that learning from the mistakes of others can save you a lot of domestic troubles. |
| | 12aa. Perhaps the wrought iron elements of the wheelbarrows you produce could look nicer and be more durable.<br>12ab. That's why while you are utilizing the present technique try to come up with an idea, how to modify it.<br>12b. Greg and his friends say they will closely observe all the managers who supervise the technicians who (that) carry out the tests on the turbines. | 12da. Would you like to be able to overcome technical problems easily?<br>12db. Think if you have the know-how, well developed technology and the specialists who (that) have the right tools which (that) allow them to fix the thing quickly.<br>12dc. Technically, first you have to develop the tools and then you can start the repairs. |

| | | |
|---|---|---|
| | 12c. If that poor wretch can't comprehend the basic principles on which the voltmeter works he will probably not understand all the technicalities that you would like him to learn. | |
| | 13a. Techno dance music should invigorate the patrons of the club tonight.<br>13b. The vending machine inventor allegedly claims that we owe the most impressive achievements in technology to intelligent individuals who (that) are driven by fear, hidden envy, deceitfulness or a desire to be wealthy.<br>13c. The technologists will be working on the new variety of the high yield wheat for a long time because it's a tedious job.<br>13d. If technocrats believed too much in the superiority of their specialist knowledge, they could lose the sense of reality of the natural world.<br>13e. Technocracy allowed to develop modern civilizations and create the societies which (that) indulge in the pleasures of consumerism. | 13fa. Foreign traders energetically promoted their technologically advanced torches.<br>13fb. It seemed that the imported products impressed the villagers a lot.<br>13fc. The people couldn't understand why their chief insisted they should not buy those torches.<br>13fd. Perhaps someone should have explained to them more clearly why they ought to buy their domestic products and in this way preserve their own, unique culture.<br>13fe. Maybe the inhabitants of the settlement were unaware of the fact that their own culture could vanish very quickly if it were to be dominated by foreign influences? |
| | 14aa. When you are in your teens you may not realize why someone should, in a clandestine way, publicly reveal a seemingly unimportant detail concerning your life.<br>14ab. It may be, for example, a silly mistake you made in a history quiz.<br>14ac. Once revealed, such information can be later cleverly used by the HJs.<br>14ad. With it, they can openly and systematically inform one another about you. | 14c. Did Stefa cope with her teenage problems by herself or did she ask adults for advice and help?<br>14d. The Romins' teenage twins are fantastic volleyball players and voracious readers of vogue magazines. |

Copyright by ADL Publishing Elżbieta Żółtak 2020

| | | |
|---|---|---|
| | 14ae. Only those who (that) know the trick comprehend what details concerning your persona are currently being revealed.<br>14b. The teenagers claim that they witnessed the theft and say that the man who (that) took the wreath from the tomb was wearing dark gray velveteen trousers. | |
| 15a. Your daughter often wakes up and cries and her gums are swollen? Probably she'll soon be teething. | 15b. Toothache still bothered Maxim so he began to wonder whether his dentist had pulled (extracted) the right tooth.<br>15c. Which toothpaste can be credited for Mark's stunningly white teeth?<br>15d. Now that the teething problems seemed to be over, Christine thought about the future with a lot of optimism.<br>15e. A soft toothbrush won't irritate your sensitive gums. | 15f. Glen's old dog is toothless so Glen prepares pulp food for him to eat. |
| 16a. When Henry won the yearly triathlon his coach telephoned (phoned) him to congratulate him on the victory. | 16b. Vallerie says that before the mobile phone (telephone) revolution she remembered stationary telephone (phone) numbers of all her friends.<br>16c. In every telephone booth there used to be directories chained to a pulpit so that they couldn't be stolen.<br>16da. Telephone tapping is one of many ways of spying on treacherous individuals.<br>16db. Sometimes secret recordings are used as evidence which (that) allows to accuse a person of treason. | |
| 17a. The teacher told his students to take apart the old tractor and tank so that they could learn how they are built.<br>17ba. Ben was asked to tell the difference | 17c. As an experienced teller Travis should have easily identified the counterfeit banknotes.<br>17da. Unrelenting telling-off isn't always right.<br>17db. It can sometimes cause deep resentment felt by | 17ga. The family lived in a tent in very insanitary conditions.<br>17gb. They had typhus and their bodies were covered with ulcers.<br>17gc. Their story is a telling example of how horrible |

| | | |
|---|---|---|
| between a teetotaler and an alcoholic.<br>17bb. Ben said that a teetotaler, unlike an alcoholic, doesn't experience the compulsion to drink alcohol but chooses abstinence for some sensible reasons. | the bashed person.<br>17ea. At the end of the session the fortune teller whispered to William's ear: "Don't forget you've been chosen to get their totem really cheap for us.<br>17eb. The transaction is to appear fair and you must pay as little as possible."<br>17fa. It was darker and darker and Vincent realized that he had wandered deep into the forest, as far as the old oak tree whose trunk had been split along a vertical line into two halves by the lightning.<br>17fb. Vincent looked up and, to his astonishment, he saw a strange, thin little figure sitting curled up on a branch.<br>17fc. The creature was holding a glowing wand in its hand.<br>17fd. When Vincent heard its shrill, high voice he trembled:<br>17fe. "Are you really up to negotiating a fair deal for yourself with the chairman of the tribunal who (that) is regarded by his peers as the unmatched liar and master of deceit?<br>17ff. Do you want to talk with the person who (that) all his life has been perfecting his skills to frame others, cover up the tracks of his crimes and create the public image of himself as an impeccable, virtuous storyteller?", the weird figure enquired.<br>17fg. Before Vincent managed to gather his thoughts to prepare his reply, he comprehended that the odd persona wasn't at all going to wait for his reaction.<br>17fh. Soon after asking | harm vermin can cause.<br>17ha. To some, the telltale marks on the vase were viable evidence.<br>17hb. The prosecutor, however, stated that the defence (defense) lawyers would easily prove that they could have appeared after the event and thus couldn't be treated as the evidence of any offence.<br>17i. From the met (meteorological) office we get to know that in the coming weeks this cold atmospheric front may cause untold turbulences in the weather patterns. |

| | | |
|---|---|---|
| | the questions, the creature and its wand mysteriously disappeared.<br>17fi. “My answers didn’t matter to that individual. Probably the creature has already known that I will be doing what I have been doing so far, anyway,” Vincent concluded. | |
| 18a. This piece of steel is to withstand heavy weight so it must be properly tempered. | 18b. Ernie promised to control his temper and not to tell off his workers for being tired due to overwork.<br>18c. When the dancers are performing a waltz they need to display different temperament than when they are dancing a tango.<br>18d. Temperance in regard to commenting on other people’s characters and looks is a sign of wisdom and modesty. | 18e. Here is the warning. If a person promises you that they won’t tell on you, before you tell them your secrets, make sure they are not thin-skinned or temperamental.<br>18fa. The secretly taken photo tells a different story (tale) about that public persona.<br>18fb. It shows that he or she can be bad-tempered.<br>18ga. Willows are deciduous trees and shrubs.<br>18gb. They grow primarily on moist soils, in cold and temperate regions in the Northern Hemisphere.<br>18h. If you send us a picture of a seeding which (that) you are planning to plant in your garden, we will tell you what it will look like when it is fully grown. |
| 19aa. When his uncle opened the box, the smell of tobacco began to tempt Karl.<br>19ab. Karl, however, withstood the inner yearning and refused to smoke. | 19b. If you are in the desert, it’s hot and you are thirsty, you shouldn’t resist the temptation to drink water if you happen to find a well.<br>19ca. Being unable to resist the tempter who (that) incites you to trespass on other people’s private properties and rob them of their valuables would undoubtedly delight the tempter.<br>19cb. Simultaneously, it | 19da. “If this walnut and chocolate muffin looks tempting to me it can also arouse the desire to get and devour it in others,” thought Anatol.<br>19db. “I must, therefore, possess it before anybody else gets it.<br>19dc. Only then can I use it as bait.<br>19dd. With its help I will be able to persuade others to |

| | | |
|---|---|---|
| | would tell against you and would prove that you are psychically weak, since you have succumbed to a provocation. | do what I believe is right, just and necessary in the given circumstances.” |
| 20a. When you tense gas, its pressure increases. | 20ba. Olaf has learnt to build sentences in various tenses.<br>20bb. Then he always tried to form sentences in the appropriate tense, depending on the situation in which he spoke them.<br>20ca. There were two individuals on stage and the tension among the transfixed audience was growing.<br>20cb. Allegedly, one of them was a vindictive wizard and a corrupt traitor whereas the other one was the person of honour (honor) and valour (valor).<br>20cc. The people who were watching the spectacle were supposed to tell them apart and determine who is who. | 20da. When the troubles are more and more serious and the atmosphere is becoming tense, tongue-in-cheek comments may ease the tension a bit.<br>20db. Yet to tackle the complex problems productively you need to combine the in-depth knowledge with objective rationality and support these with a very deliberate strategy. |
| 21a. A country which takes good care of her poorer citizens can be termed a welfare state.<br>21b. The judge apparently vehemently denied the allegations that the family court would decide to terminate the woman’s parental rights to her children.<br>21c. The driver is obliged to inform the passengers that his tram terminates at the entrance gate to the theme park. | 21d. At the end of the term, each group will present the template they’ve worked out and the students will discuss the pros and cons of their designs.<br>21e. Anna confirmed that the termination of her pregnancy is out of the question.<br>21fa. The broker’s flight was delayed by many hours and the casino neon at the terminal twinkled teasingly and temptingly.<br>21fb. Paul felt the usual strong urge to get inside and practise (practice) his well-trained tricks, which in the past, so many times, had brought him so much luck.<br>21g. “I still have a little time to negotiate better terms of the contract for myself,” | 21h. The vultures were sitting on the terminal branch of the tree and patiently waited for the lion which (that) had throttled a gazelle and was treating itself to its fresh flesh to finish its feast.<br>21i. The tumour (tumor) has been detected but it is not yet known if it is terminal cancer. |

|---|---|---|
| | Hanna thought. | |
| 22a. The necessity of looking for a job abroad terrified Magda.<br>22b. Don't let your child (kid) terrorize you. (Don't allow your child (kid) to terrorize you.) | 22c. When you're in (the (a) state of) terror your body produces a lot of adrenaline.<br>22d. Terrorists seem to be more and more determined.<br>22e. Do we have in our country anti-terrorism services?<br>(Do we have anti-terrorism services in our country?) | 22f. The tourists were terrified when a bear approached (came over to) them.<br>22g. Do you know more such terrible stories?<br>22h. Everybody (Everyone) agreed that Johnny's idea was terrific.<br>22i. The horror film (movie) was so terrifying that after watching it Mary couldn't sleep.<br>22j. The terror-stricken inhabitants of the village feared that the underground tremors would be followed by much more powerful earthquakes. |
| | 23aa. During his term in office, the shrewd strategist often invited into his territory certain vulnerable individuals with zest for adventure and entertainment – at the expense of someone else.<br>23ab. The guests were diplomatically persuaded that after their return home they should act according to the reasonable suggestions.<br>23ac. The strategist explained to them that their wise decisions would serve the interests of the law-abiding citizens well.<br>23ad. Their rational resolves would be accepted by those who cared about maintaining peace and those who were determined to crack down on crime.<br>23b. Will the dispute over the ownership rights of the territorial waters cause any international political turmoil or will it not change anything in the power sharing deal? | 23ca. Tourism is the industry which allows some to enjoy territorial gains without the necessity of using weapons, warships or torpedoes.<br>23cb. For instance, a wealthy casino owner from the USA pays certain amount of money and becomes the owner of an attractive piece of land by the sea in France.<br>23cc. Then his family and friends can frequently travel there and have a good time. |

| 24aa. They are just explaining to Konstanty that they are going to test if he understands certain technical terms correctly.<br>24ab. They will be assessing his answers to the detailed questions.<br>24ac. For instance, they may ask him whether a certain transistor fits in a terminal in a given electric circuit.<br>24ad. If it doesn't, Konstanty should know why.<br>24ae. Konstanty must also be able to build a circuit in which the qualities of the transistor could be properly used. | 24ba. Have you expected a better test result? Contact your examiner.<br>24bb. Either he made a mistake when he was marking your work or you made more mistakes than you think you did.<br>24bc. A sincere conversation with the examiner should sort the matter out.<br>24c. Only absolute transparency and long-term testing can reveal the flaws which (that) still cripple the system.<br>24da. The specialists claim that this test case will be scrutinized for years to come.<br>24db. It's about putting a new generation of programmable robots, which the firm has just started to manufacture, to the test.<br>24dc. To check how the robots cope in completely new circumstances, the employees of the firm have placed them in an uncharted territory and are observing how swiftly the objects they have created are making headway along the obstacle course.<br>24ea. The navigator admits that several unwanted complications appeared during the previous test drives.<br>24eb. Some of the members of the crew carelessly disturbed the driver and he didn't achieve the results he had expected.<br>24ec. The navigator persists that they mustn't allow any kind of untoward intrusion to disrupt the realization of their new tests. | 24ha. The representative of the pharmaceutical giant wants to talk about the untested medication which (that) the firm would like to manufacture.<br>24hb. He wishes to consult the doctors who work in the hostel for terminally ill patients about the use of the new substance there.<br>24ia. The testing time was approaching.<br>24ib. The observers wondered whether short-term solutions involving resorting to physical violence would be considered as viable by the sides of the disagreement. |

| | 24fa. “Here is the commander’s order. Today you are to fly over the swamps to localize the crocodiles which (that) have allegedly been moving in since the river across the border started to dry out,” the chief mechanic told the test pilot.<br>24fb. “Take this order back to the boss and tell him that first he has to issue a different command.<br>24fc. The technicians must repair the brake system in this plane.<br>24fd. If they are unable to fix the problems, it is possible that the whole unit will have to be re-designed.<br>24fe. I certainly won’t fly a machine before I make sure that I can land it safely,” the test pilot stated firmly.<br>24ga. Michael’s secretary used to work for the company which runs a specific farm, didn’t she?<br>24gb. In her words, the bosses of the company treat the farm as a testing ground.<br>24gc. They experiment with certain innovative breeding techniques which (that) involve tampering with genes. | |
| 25a. Don’t testify against the man claiming that he is a thief if you aren’t a hundred per cent sure that you saw the burglar clearly and now you recognize him without any doubt. | 25b. Would the testimony of the witness mean a maximum prison term of 25 years for the perpetrator of the crime?<br>25c. ”2001 a Space Odyssey” is an outstanding testimonial of the fact that the astute director of the film was a provident visionary. | 25da. It’s not a trifle so it’s not a good idea to start with attempting to tarnish someone’s public image.<br>25db. To untangle the mystery and separate facts from fiction, first you have to gather a lot of testimonial material.<br>25dc. Then use all of your brain power to analyze it very thoroughly.<br>25dd. Once you learn a lot |

| | | you can start to act very carefully.<br>25de. You can gradually change the world for the better and learn more and more so that you can effectively solve new problems that keep appearing. |
| 26a. You don't have to thank me. | 26b. Do you expect many (a lot of) thanks? | 26c. Lucy had a puncture but, thankfully, she had a spare wheel.<br>26d. Proofreading of a long text can be a thankless job. |
| | 27a. The theatre is known for their versatile repertoire and vivid performances starring renowned actors.<br>27b. Let's ask our veteran theatergoer Mr. Bornie if unveiling the details concerning the next artistic production was a wise decision. | 27ca. The HJs work vigorously and tirelessly. Together they do their best to seduce you into submission.<br>27cb. Their displays of lavishness, deceptive promises of heavenly pleasures and ostentatious theatrical gestures are meant to impress you so much that you decide to take part in their treacherous show.<br>27cc. If you succumb to the illusion they have painstakingly choreographed specially for you and you cross the threshold of their party venue, they know they have caught you.<br>27cd. Then do not expect anybody to help you get out of the trap which (that) you have entered voluntarily and in which you have been locked. |
| 28a. Some people theorize instead of working. | 28b. Paul doesn't want to listen to my theories any more.<br>28c. Let's ask theorists what they think about Dionizy's idea.<br>28d. Witek again forgot what | 28e. Let's not waste our time on theoretical considerations. |
