asked them about the tailor, they never revealed his name.		
204a. The defendant straightened up and said he couldn't explain why the work on the project hadn't come to a stop despite the fact that the funding procedures had been suitably reviewed (revised).	204ba. This crazy woman was put in a straightjacket (straitjacket) by the brave servicemen sent to our country from our powerful overseas ally. 204bb. She maintains that one of our top sportsmen won his titles thanks to doping. 204bc. Some say the woman should be kept in an institution for the mentally disabled.	204ca. We had only an old, blunt pocketknife. 204cb. We couldn't slit the watermelon into two equal halves, along a straight line. 204da. You may put a stop to the criticism leveled at your city's development department straightaway. 204db. This will happen if you instantly remove your builders from the land you have been lawlessly occupying. 204ea. Look at the middle section of this old masterpiece. 204eb. A fat, self-satisfied male figure in red tights with the lower part of his torso intentionally magnified is facing a skinny, somber looking female figure, clad in a long, gray gown. 204ec. I wonder if the two would reach common ground on the issues that matter a lot to each of them. 204fa. The satire on the political situation is supposed to amuse the audience. People are meant to be laughing sincerely. 204fb. Those straight-faced viewers look suspicious. They are spoiling our show. 204fc. Shouldn't they be asked to leave our concert hall?

Copyright by ADL Publishing Elżbieta Żółtak 2020

205a. Xenia didn't want to strain the relationship between the friends so she didn't provoke another row.	205ba. Your competitors had anticipated the economic strains long before you started to worry about them. 205bb. They not only secured workplaces for themselves in time. 205bc. They have also worked out effective methods how to keep career opportunities away from you. 205c. The grapes which (that) are in the strainer have been rinsed with tap water. You can eat them.	205d. Adeline shouldn't carry buckets with water when she has a strained shoulder tendon.
	206aa. The stranger says he's got the remedy for my daily worries. 206ab. Presumably, if I buy and use his medicine, all my physical and mental pains will soothe away. 206b. Garry soon got used to the strained climate in which the talks were proceeding and didn't see any strangeness of the situation at all.	206c. It's strange that no Prime Minister has warned you what price the nation will pay for allowing the foreigners to take the strain of supervising the country's banking and financial system. 206da. The sitcom was tremendously popular with the viewers. 206db. People used to split their sides laughing (with laughter) while watching their favourite (favorite) comedians. 206dc. However, when the producer announced they were going to release its sequel, a lot of people suddenly looked sullen.
	207a. If it is possible to invent a slick and ingenious stratagem to lure you, your opponents are bound to devise it. 207b. Everyone has to work out their own strategies to cope with the stresses and strains of being a civil servant.	207da. Why don't they want Larry to make strategic decisions concerning the stocks and shares of the company? 207db. Is it because they don't regard him as one of their own because he is incorruptible?

Copyright by ADL Publishing Elżbieta Żółtak 2020

	207ca. “What would you do if looters were in your master’s castle?” asked the wolf who (that) stopped for a friendly chat with his distant relative, the dog that was chained to his kennel. 207cb. “I would hope my master’s strategists would negotiate a fair deal with the thieves. 207cc. Then, as usual, I would patiently wait for the leftovers from my master’s dinner table. Sometimes there happen to be some,” the dog answered. 207cd. “I see,” said the wolf and trotted to the forest.	
	208a. It was raining heavily and the passing cars spattered the pedestrians with dirty water from the puddles that formed along the kerbs (curbs) of the pavements. 208b. Street lights help to organize traffic and increase the safety of motorists and pedestrians.	208ca. The homeless people (The street people) in old, scruffy clothes are streetwise (streetsmart) and friendly. 208cb. They can teach you how to survive with little money and how to cope with septic wounds.
209a. The exercises will strengthen your muscles.	209b. We admire Irena’s strength of character. 209c. Once the defenders of the stronghold have run out of their food provisions the aggressors will put more emotional and financial strain on them. 209d. The strongman grabbed the huge dog by the scruff of its neck, pulled the animal out of the water and placed it safely in the boat.	209ea. Alexandra does very well with strenuous jobs. 209eb. Here she’ll have an opportunity (a chance) to check how strong she is.
210a. You should stress the first syllable in this word.	210b. People react to stress in different ways.	210c. The third syllable in this word is unstressed. 210d. Everybody (Everyone) was stressed

Copyright by ADL Publishing Elżbieta Żółtak 2020

		when the employer announced he'd have to lay off (to fire) half of the staff (personnel). 210e. The morning was so stressful for Margaret that she got stomachache. 210f. Let's listen to what the strong-minded old man with the saggy skin on his wrinkled face has to say. 210g. A strong-willed person will never allow bad memories to stick in their mind for too long because this can spoil logical thinking and a decision making process.
211a. After you solder the two pieces of wire together, don't stretch it too much because it is not as elastic as it previously was.	211b. The rangers say they intend to preserve this unspoiled stretch of the savanna. 211ca. The man on the stretcher was in hospital and was safe now. 211cb. He was lying quietly and he listened to the spatter of rain against the windowpane.	211d. When they made their reconnaissance flight over the area they saw desert stretching in all directions farther (further) than when they had seen it last time. 211ea. The bag looks small but it is like a stretchy net. 211eb. You can pack even a few kilos of potatoes in it.
212aa. Once you know who is striking and demanding higher wages and who refuses to give in to the pressure of the demands, you know which of them are the inferiors and which are the superiors. 212ab. The latter hold the power and can make legal decisions.	212ba. The strikers and the owners of the factory depend on each other and the market. 212bb. They can negotiate the conditions of their co-operation as long as there is demand for the goods they manufacture together. 212ca. The strike-breakers were shocked when the factory owner told them that his firm belonged to a bank now. 212cb. They were even more astounded when their employer advised them to	212ea. A researcher may sometimes be stricken by the fact that a fortuitous approach to the subject they are studying allows them to suddenly look at the matter from a completely new angle. 212eb. Then they instantly notice a detail which (that) they've previously overlooked. 212ec. An analysis of the matter from the perspective of that particularity may sometimes lead to

Copyright by ADL Publishing Elżbieta Żółtak 2020

	take a bank loan, just like he did, or to find a financial sponsor and set up their own businesses and pay their social security premiums for their future retirement benefits. 212d. The air strike was called off because the strategists had concluded that too many civilians would suffer, as a result.	an amazing discovery. 212ed. This discovery can be noticing a constant pattern of behaviour (behavior) of a particular group of individuals. 212ee. A thorough investigation of the pattern can help to understand many anti-social behaviours (behaviors). 212ef. The reason for such behaviours (behaviors) can be the fact that we instinctively sense that persons who (that) want to control us or those who (that) don't allow us to control them, don't belong to our family and are dangerous for us. 212fa. It's quite striking how Inga managed to subordinate her partner emotionally. 212fb. It would be equally interesting to analyze what sort of support she received from the outside to maintain her dominant position in their relationship.
213aa. "Good work. The show was well structured. 213ab. You managed to expose the aspects which (that) the viewers are supposed to notice and you very craftily concealed the matters they are not meant to dwell on," the producer praised the director of the spectacle.	213ba. As you see in the model structure of the crystal, many particles are placed inside. 213bb. They make numerous connections with a lot of other particles. 213bc. Meanwhile, a few are placed at the corners and on its sides. 213bd. They form the shape of the structure.	213c. Have you noticed any significant structural changes within that given time span? 213da. Sooner or later a faultily structured arrangement will start to malfunction and will inevitably bring itself to its demise. 213db. Therefore, before you start establishing its alternative, make a detailed list of all the flaws, defects and drawbacks that have caused its

Copyright by ADL Publishing Elżbieta Żółtak 2020

		collapse. 213dc. Then create the mechanisms which (that) will exclude the possibility of the development of any such faults in the new structure. 213dd. Once you've started building a flawless system always remember that even a seemingly insignificant deviation from the principles will lead to failure.
214a. Alexander has studied various features (properties) of the material quite thoroughly so he can tell us what are the limits to which it can be safely stretched.	214b. The latest study confirms that a healthy lifestyle and realizing one's passions have a very positive impact on an individual's lifespan. 214c. "Studying the history of the mafia is dangerous in itself, so mind your steps," the police captain told his sergeant. 214d. Can you recommend an IT student who (that) knows how to program a scroll bar? 214e. The representative of the students' union said the decision was a major step forward in their negotiations with the authorities of the university. 214fa. A lot of young people turned up. Each wishes to become an understudy to our star performer. 214fb. The auditions are likely to last till tomorrow afternoon.	214g. The job is tiresome and time-consuming, something for a studious and patient person. 214h. In every good performance the actors make an impression that their studied gestures and movements appear absolutely spontaneous and natural.
215a. The man's hands were stuffed in his pockets as he was looking indifferently at the two boys who (that) were arguing	215b. In striking contrast to the band's previous recordings the stuff on their latest album is just sensational. 215c. This time let's roast	215e. The food was delicious and Sabine ate more than usual. "I am stuffed," she said. 215f. The nun stays in her stuffy room for hours and

Copyright by ADL Publishing Elżbieta Żółtak 2020

who was the first to spot the wallet in the grass.	turkey with apple stuffing. 215d. At the end of a dim corridor there was a stuffed animal and Clive had to strain his eyes to see what it was.	doesn't open the window because she says she doesn't want to catch a cold.
216aa. Ursula must have had her hair styled by a very innovative hairdresser. 216ab. The hairstyle is exceptionally original.	216b. Arguably, no other film director's achievements are as outstanding as those of the unmatched master of the Japanese cinema. 216ca. You shouldn't be struck by your stylist's lack of generosity. 216cb. He will make you look beautiful only if thanks to the results of the job he has done he can gain widespread acclaim for himself. 216cc. He has always been winning over new customers for himself in this way. 216cd. There is no reason why he should act differently this time. 216ce. He won't devote his time for you unless he gains something vital for himself.	216d. After watching the old film the teacher asked the class why, in their opinion, the main character didn't take with him a stylish outfit he was given as an acknowledgement of his merits (contributions). 216ea. People like glamorous entertainment so this incredibly stylized ceremony should attract huge crowds. 216eb. The organizer of the event reminds that where there are plenty of people, a lot of money can be usually earned.
217a. Once you realize you won't subdue that stubborn opponent of yours, you may start thinking about the terms of your future co-operation. 217b. Even when Ellen was a young mother her personal ambitions weren't completely subjugated to the needs of her family.	217c. Thank your subconscious. The interrogators wanted you to betray your parents and testify against them but you, very wisely, didn't do it. 217da. The first of last month was the deadline for the submission of the proposals. 217db. We won't take any materials from you now. You must take your documents back. 217dc. You may present them to the special subcommittee which (that) operates in your home	217ga. At last Lawrence feels subconsciously relaxed. 217gb. He returned Maddox the money he'd owed him. 217gc. Now they are square. 217ha. The subdued people say they are beginning to understand what the nature of the matter is. 217hb. When you look beneath the layer of appearances, clichés, choreographed talks and handshakes in front of the

Copyright by ADL Publishing Elżbieta Żółtak 2020

	town. 217dd. To the best of our knowledge, it is legally obliged to deal with the requests like yours in a lawful and fair way. 217e. The conditions of the subcontract deal definitively forbid you from revealing any details of the agreement between the two of us. 217fa. In order to realize how ill-conceived the whole concept of capitalism is you need to fully understand its hideous, hypocritical nature. 217fb. Capitalism promotes gathering wealth. Therefore it inevitably leads to the subjugation of decent and moral people to narcissistic bullies and careerists. 217fc. The bad guys subjugate the good ones because the bad guys readily become crooks and criminals, if this can make them rich or powerful. 217fd. The good guys refuse to steal or cheat and instantly lose their fight for wealth with the frauds (imposters/tricksters). 217fe. The most unlucky losers can end up like the main character from the film “Ragtime”. 217ff. His ordeal started when he refused to clean his driver’s seat on which the mischievous pranksters had defecated. 217fg. He and his wife got killed and their only baby got into the hands of	cameras, you can discover the true faces of those in whose hands they have entrusted their fates. 217hc. Behind the camouflage of fake smiles hide selfish, cunning, power obsessed and lacking empathy supremacists.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	tricksters.	
218a. It came out (that) the prisoners were subjected to different tortures.	218b. Mathematics (Maths/Math) wasn't Paul's favourite (favorite) subject at school. 218c. What was the subject of the disagreement between those tennis players? 218d. The king lived in the palace and his subjects in huts. 218e. We have to take into account (consideration) (the) subjectivity of the opinions presented here. 218fa. Astonishingly, love is not the subject matter of this particular movie. 218fb. This film is about an attempt to preserve arguably the very last remnants of human dignity.	218g. It's your subjective assessment and I don't agree with it.
219aa. You have excellent qualifications and impressive job experience. 219ab. You even have the right to submit all the required documents. 219ac. Yet if you can't prove that you belong to their large family and that you have done something really useful to them, like that you've ruined a company which (that) was in the hands of their competitors, you won't get a job.	219ba. Are you sure you have tried everything to force that obstinate individual into submission? 219bb. Have you exercised beating, putting psychological pressure or starving him? 219ca. The submissiveness of a nation is the key factor in the people's chances of gaining independence. 219cb. A lot depends on a properly developed self-preservation instinct. 219cc. The nation which (that) is unable to unite in order to choose one of their own as their leader, instantly becomes an easy prey for foreign conquerors. 219cd. The invaders quickly win over the nation by means of false promises of a better life.	219da. Everyone gets something precious Mother Nature bestows on them. 219db. Some have unparalleled talents for making love. 219dc. Take Benjamin as an example. When he met the daughter of the press tycoon he behaved in a submissive manner and told her he loved her. 219dd. They married and now Benjamin is the CEO in her father's empire.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	219ce. They win elections and take full control over the political, economic, educational, or cultural scene of the country. 219cf. They enslave the nation and use the existing law to their own advantage.	
220a. When Clair was well-off she used to subscribe to many magazines devoted to fashion and the careers of successful women.	220b. Why won't Ace renew his subscription to this fantasy world weekly? 220c. The subscribers to the monthly receive an annual extra edition with detailed profiles of 100 of the richest and most influential people in the country.	
221aa. The party was losing supporters and corporations were unwilling to subsidize it. 221ab. A few fractions splintered off the organization but has any of them won popularity?	221b. Many people subscribe to the idea that governmental subsidies won't solve the acute problems of unprofitable branches of industry or agriculture in the long term. 221c. The talks with the management of the oversees subsidiary company have just begun.	221da. This criminal organization often allows a small firm which (that) depends on them financially to operate as a seemingly independent body. 221db. If the products manufactured there become popular with consumers and favour (favor) their ideology, they seamlessly incorporate the firm into their fraternity as a subsidiary company.
222a. If a creative individual manages to subsist on their limited incomes they are most likely to continue to innovate.	222b. Let's watch how the authorities are going to convince the nation why social privileges are for the rapacious and avid as well as their subsidiaries, while the life at or below the subsistence level is for the incorruptible and honest.	
223a. To some degree, these arguments substantiate your decision.	223b. These substances can be poisonous and shouldn't be stored here.	223c. The situation has changed substantially. Let's see how Daniel will be adapting to it. 223da. If the critique is substantive we will support

Copyright by ADL Publishing Elżbieta Żółtak 2020

		the decision makers who (that) will undertake actions aiming at undoing the wrongs. 223db. We will also watch the actions carefully in order to assess if they are substantively effective. 223ea. It is sad how easily insubstantial matters can cause an accident. 223eb. For example, you release your grip on the ladder to drive away a few pesky flies that (which) are circling around your head and the ladder, together with your daughter who (that) is at its top, because she is hanging a star on the Christmas tree, fall down. 223f. The court has decided that Venus's claim for compensation is unsubstantiated.
224aa. Every piece of subsidiary information must be carefully looked at. 224ab. The threat that someone will try to subvert this fledgling democracy is very real.	224ba. There are limits to which the possibility of subversion can be postponed. 224bb. These may depend on the percentage of the population that is forced to survive on less than subsistence wages.	224c. The government spokesperson is said to have confirmed that there won't be any public subscription to erect a monument commemorating the subversive revolutionary movement.
225a. With your determination and ingenuity you're bound to succeed.	225b. Success sometimes comes unexpectedly, after many years of waiting.	225c. If one business turns out to be unsuccessful, another one may turn out to be successful.
	226a. The stipulation for these particular succession rules is that the candidate has never committed any offence and has never had his criminal record cleared. 226b. As a successor to the project Martin must know	226c. Only after a series of successive failures did the bosses begin to consider changes in their marketing strategies.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	that the measures used by his predecessors have made the tower slant systematically, further and further.	
227a. The GP didn't know how to treat the clerk who (that) claimed that he was suffering from pains which (that) he wasn't able to localize.	227ba. Presumably, Adam is no longer a subscriber to a charitable organization called "Allow single mums to support themselves through their hard work". 227bb. It's worth reminding that Adam is still worth a few billion dollars. 227bc. Is he completely indifferent to the suffering of the women who (that) are victims of domestic violence and who (that) want to break free and stand on their own feet? 227ca. One sufferer says they are the victims of the slander campaign. 227cb. He points out that biased, slanted reporting, just like slanted windowpanes, accumulate a lot of dirt.	227d. The managers are coping very well because the conditions in which they operate are far from being insufferable.
228a. It suffices to say that one true story allows to generate hundreds of thousands of speculative lies.	228b. It's time the politicians shared their knowledge about economic and financial self-sufficiency of the country with the journalists who (that) arrived at the press conference.	228ca. When we collect sufficient amount of data and conduct necessary surveys the institute will be able to carry out the statistical analysis. 228cb. This should allow to draw the correct conclusions. 228d. The team of investigators has been successively discovering various examples of insufficient security measures and ineffective theft-deterrent systems.
229aa. The judge stated the man had acted in self-defence	229ba. The coroner says it was suicide by suffocation. 229bb. The exhaust fumes	229c. Outside the heat was suffocating so the kids went to the basement

Copyright by ADL Publishing Elżbieta Żółtak 2020

(self-defense). 229ab. He suffocated the assailant who (that) attacked him with a knife.	filled the closed car and the victim died inside.	where it was a bit cooler.
230a. Edward suggests advertising our products on the Internet.	230b. Do you have any other suggestions?	230c. Why do you think (that) the suggested solution is bad? 230da. The woman who (that) visited the couple sounded so suggestive that they believed her. 230db. She warned them that the man who (that) lived next door was a dangerous sociopath. 230dc. The married couple thanked the woman for informing them about the danger and avoided any contact with their neighbour (neighbor). 230dd. Yet one day, completely accidentally, when they themselves got into big trouble, they realized that it was the other way round. 230de. The man was sane, perfectly human (humane) and even helped them to deal with their problems. 230df. The woman had serious mental problems and she couldn't be trusted.
231a. Eleven in the morning will suit me better.	231b. Do you question the suitability of the First Lady's words during the official greeting of the guests? 231c. Joanna says (that) she doesn't have enough suits. (Joanna says (that) she hasn't got enough suits.)	231d. The other dress will be more suitable for an evening in an expensive restaurant. 231e. Why do you say (that) this hat is unsuitable for a funeral? 231f. If they are to succeed, no doubt they need suitably qualified staff.

Copyright by ADL Publishing Elżbieta Żółtak 2020

		231g. Ulryk's uncle claims that Ulryk is perfectly suited for a managerial career because he has always had very high self-esteem. 231h. An expert from the city council concluded the woman was unsuited to sell her biscuits at the street market in a prestigious neighbourhood (neighborhood).
232a. Totally irrational and irresponsible – that just about sums up their response. 232b. To summarize (sum up), trigonometric functions allow you to calculate the lengths of the sides of a right triangle if you know the sine and cosine of the angle.	232c. It's a simple calculation and you can do the sum in your head. 232d. In summary, the clause stipulates that the ownership rights apply even after the contract expires. 232e. In the summing-up the judge pointed out that the jury must base their decision on the evidence that had been collected thus far.	232fa. This is only a summary assessment so a lot of vital points may be missing. 232fb. You can't base your final judgement (judgment) solely on that statement.
	233a. Do you know where Stella will go on holiday next summer? 233ba. During the summer camp the kids played outdoor (outdoors) a lot. 233bb. They went sailing, windsurfing and snorkeling. 233ca. When the Browns got into their summer house, they immediately knew someone had been there. 233cb. The ashtray on the kitchen table was full of cigarette stubs. 233d. This particular summer school is for those who (that) like to learn more.	
234a. Our quiet, sandy beaches are	234ba. Britney didn't use the proper sunblock	234j. Yesterday it wasn't as (so) sunny as today.

Copyright by ADL Publishing Elżbieta Żółtak 2020

the perfect places for those who (that) want to relax, sunbathe and swim in the clean water of the Mediterranean Sea.	(sunscreen). 234bb. She stayed in the sun for too long and instead of a nice suntan she must deal with the unpleasant effects of sunburn. 234c. Sunflowers grow high so Henia seeded them at the back of the garden, along the fence. 234d. Sundials weren't very popular in this northern country because even in the summer there were many cloudy days there. 234ea. Sunglasses with orange lenses are perfect when you are driving. 234eb. Bright sunlight doesn't irritate your eyes and you see everything clearly. 234f. The distant snow-capped peaks of the mountains looked majestic and serene in the yellowish rays of the sunrise light. 234g. At sunset Fabian stood on his balcony and looked at the forest of satellite dishes strewn on the flat roofs of the surrounding buildings. 234h. Tomorrow there is going to be another beautiful day with lots of sunshine and temperatures around thirty degrees centigrade. 234ia. When David woke up he saw that his sunhat was lying on the blanket next to him. 234ib. After a while he began to feel typical symptoms of sunstroke: fever, chills and a headache.	234k. Did the ancient sage write about remedying a sore throat with the infusion (brew) made from sundried sage?

Copyright by ADL Publishing Elżbieta Żółtak 2020

	235a. The sum total of superman's possessions includes an old robe and lots of good deeds in his saving account in the heavenly bank. 235b. In this case, the superpower can be depicted as a virtual body whose capabilities are more (greater) than just the sum of its parts.	235ca. The workshop owner admits the system is super simple. 235cb. He pays his taxes to the Mafia for an alleged protection. 235cc. They need the money to live comfortably and, in case someone becomes an obstacle, to pay a professional hit man for assassinating the person. 235da. They may not have fully exploited all of their supernatural capabilities. 235db. Hence it's essential to be alert and watch very attentively (closely) every step they take. 235dc. In sum (summary), it is a superb opportunity for your reporters to give impartial accounts of the activities which (that) the authorities are undertaking in order to keep the situation on the ground under control. 235e. The latest version of the supersonic craft can move freely and is completely undetectable to radars and any control systems.

Copyright by ADL Publishing Elżbieta Żółtak 2020
