Copyright by ADL Publishing Elżbieta Żółtak 2020

	a comeback to the arts market by displaying his latest works in a private gallery in his home town.	the machinery you have to carry out all the tests. 175eb. You must also be absolutely certain that it is made of stainless steel.
176aa. That woman may be possessed. She is again going to stake her career on a new goal. 176ab. Now she wants to become a painter. Fortunately we can completely block her any access to any kind of paint.	176ba. That illusionist is exceptionally lucky. 176bb. Four hundred years ago such a faithless and disobedient rascal would have long before been burnt at the stake. 176c. In case of the bankruptcy of the firm the blame falls squarely at the stakeholders who (that) blindly believed in the unrealistic myths.	
177aa. Your contestants will keep harassing you. They will analyze your reactions thoroughly and will continue inventing new ways of stalking you. 177ab. They will do it for they hope that you will get intimidated and you will give up competing with them.	177b. Creatures that have eyes on stalks can see what's going on around them without having to turn their heads. 177c. Let's consider very seriously whether continuing stalking will get us anywhere when we are unable to stain the reputation of that individual any further. 177d. A prudent stalker doesn't keep a record of his actions in any ledger. 177ea. A powerful smack on the jaw can be physically painful and if your face blushes (reddens) the punch can leave a visible, but temporary trace. 177eb. Stalking can affect your psyche and may change your behaviour (behavior) in the long term. 177fa. Just like experienced hunters would do, the pursuers will hide behind the main candidate and a stalking horse.	

Copyright by ADL Publishing Elżbieta Żółtak 2020

	177fb. When the two candidates smack into each other, the pursuers will closely observe the reaction of the game they are chasing. 177fc. Then they will decide how to round up the herd and take possession of the whole lot.	
178a. You can stamp on the stalks of this resilient plant, but they will bounce back and will stick upright again.	178ba. For one thing this rare stamp is very old. 178bb. Secondly, it is valuable due to the tiny, stubborn stains which (that) will never be removed. 178bc. No one can see them because they are concealed by special protective foil. 178c. When the safety of the unique stamp collection was at stake, an additional security system was installed.	
179aa. It's a common practice. One person, serving as a bait, is standing with a beautiful, fragrant flower or another allurement in their hand. 179ab. A swarm of insects gets lured and a trapper catches them in the net. 179b. Those who (that) stood by were not surprised that when the crew squared the back (rear) wheels of their strange vehicle, it moved forward awkwardly and slowly. 179ca. Julia was supposed to stand in	179d. Some scenes in the film require acrobatic skills from the actor so they need to hire a stuntman as a stand-in. 179ea. If you are one of us, it's your duty to help us. Get to the stand and sing as beautifully and poignantly as you can. 179eb. If you do your job properly, the hearts of the listeners will melt. We will be in the audience, ready to act. 179fa. Enosh had always been on standby, ready to help his friend Jehoash. 179fb. Their friendship was put to the test when mysterious ink stains appeared in Enosh's notepad.	179k. Having a stand-alone unit would be an ideal situation. 179l. You can't expect that the standing charges you have to pay every month will suddenly disappear.

Copyright by ADL Publishing Elżbieta Żółtak 2020

for the absent teacher in the class but she can't do it today. 179cb. A tiny splinter of glass got stuck in her right eye. It hurts a lot and it must be removed so, for the time being, Julia needs professional medical care.	179fc. "I want you to buy me a new notepad. Take this dirty one back home with you," Enosh told Jehoash angrily. 179ga. The stand-off between the two groups sparked off a discussion whether the two sides could find common ground. 179gb. Had there been only one group there wouldn't have been any stand-off, would it? 179ha. The counterfeit banknotes look exactly the same as those which (that) come from official mints. 179hb. Some even claim they help the ailing economies by reviving production and commerce. 179hc. However, according to another standpoint, it's the money itself that is the main evil because it enables and fosters fraud and corruption. 179hd. Any economy should function in accordance with the law of nature – if you rob the environment of something, you must give something equally valuable back to it. 179i. Owing to a disagreement over the disputed territory, trade between the two countries was brought to a temporary standstill. 179j. The legal standing of the treaty will be analyzed by a team of experienced lawyers.	
180a. There are four pages of the document so staple the sheets	180b. The staples of two sizes are mixed up in the box so take the right ones.	180e. Sleazy characters and even sleazier affairs are staple themes of

Copyright by ADL Publishing Elżbieta Żółtak 2020

together so that none of the pages gets lost.	180c. The stapler is in the second drawer from the top. 180da. I'd like to include butter in my staple diet but where to buy it? 180db. Take this product as an example. Although the label states it's natural butter, it looks like some other sort of spread.	the articles you can read in the tabloid.
181a. Do you believe in what the doctor stated? 181ba. The statesman understated the importance of having the industry which (that) is the staple of the country's economy. 181bb. Does somebody in the country or from abroad pay him to do so? 181ca. Your frenemies are emotional and intelligent. 181cb. They will cleverly overstate their own importance and make every effort to have you like them very much. 181cc. They want you to think that they are indispensable and irreplaceable.	181d. How long was the girl in the state of shock? 181e. The statement read during the press conference surprised us. 181f. Which state does Richard's grandfather come from? 181g. During the cocktail party Victoria talked with a statesman. 181h. If a nation is united in the common goal – people want to live in a country which (that) they have the power to control – the nation understands what statehood means. 181i. Did you know that the new curriculum for state schools requires that children aged seven to eight should learn to square numbers from one to one hundred? 181ja. A dandy walked ostentatiously into the room. When he made sure that enough people were looking at him, he took a state of the art tablet out of his briefcase and said: 181jb. "I can give you the address of the place where you can buy one. If you go there and tell them you know me, you will get a discount.	181m. When you are on a guided tour to a stately home do you think about the sweat and suffering of those who (that) have created it or the comfortable and carefree life of those who (that) used to own it? 181n. It's essential that you understand the unstated sense of certain actions. 181oa. At the moment Barry didn't worry about being stateless. 181ob. He had a lot of money in many different banks around the world, stocks and bonds and other valuable assets. 181oc. He believed he could easily buy himself a citizenship some place.

	181jc. But hurry up. The promotion will last only ten days.” 181ka. Pay special attention to every remark of your adversary which (that) seems to be an understatement. 181kb. The issue he mentions can be of great importance for your understanding of the subject. 181kc. Analyze the matter using your own logic and compare it with what you’ve heard from his mouth. 181kd. Your conclusions can be completely different from his explanations and arguments. 181ke. Then ponder why you allowed to be so easily fooled by him. 181kf. Aren’t you simply being naive? Didn’t you trust the person because he has many friends and plays the role of a friendly man so well? 181la. An overstatement, by contrast, can play many different roles. 181lb. For example, exposing or ridiculing your mistakes, real or imaginary ones, and exaggerating their negative consequences aim at undermining your credibility and self-esteem. 181lc. Don’t let it happen. Otherwise it will be your opponent who (that) will shape opinions about you and decide how you are perceived by others. 181ld. Your adversary may	

Copyright by ADL Publishing Elżbieta Żółtak 2020

	also use overstatements to cleverly antagonize you against someone. 181le. It can be someone who (that) has opposed him and therefore has become burdensome for him. 181lf. He may try to eliminate that person, using you. 181lg. Don't let him abuse you. Don't get into any conflict with that individual. 181lh. For while you are fighting with each other, your opponent will be provoking others to join your brawl. 181li. Thus if you even once get involved in a conflict instigated by your opponent, you may never be able to stop fighting. 181lj. For you will be attacked by others, sent against you, by your deceitful opponent. 181lk. Furthermore, your adversary's overstatements can very effectively disrupt your logical thinking. 181ll. Instead of wisely solving your own problems, you can be encouraged to devote your time and energy to the jobs which (that) benefit solely your crafty antagonist.	
182a. The actress refused to star in a horror film (movie).	182b. After a few years Alfred had enough of stardom. 182c. Look at the falling star and make a wish.	182d. The night was starry and we even heard a nightingale. 182e. It was a starless night so the sparks coming out of the factory chimney were well visible in the sky.
183a. If you don't start the treatment when	183ba. First you need to be aware of how clever,	183ha. Almost every entrepreneur goes through

Copyright by ADL Publishing Elżbieta Żółtak 2020

the infection is just starting and you notice the first symptoms of the blocked sinuses, the contagion often develops into serious sinusitis, which is much more difficult to cure.	ruthless and powerful some of the employers are. 183bb. Then you can get down to preparing your defence (defense) strategies. 183ca. For a successful start, the engine needs to be tuned perfectly well. 183cb. It can't spew flames or noxious fumes into the atmosphere. 183d. The race is about to begin and runners of different nationalities are on the starting blocks now. 183e. Your competitors are figuring out that if no major player in the field bids to buy your start-up, it will soon disappear from the market altogether. 183f. An upstart would probably make a few major errors and the scheme would fall through. 183g. Salad is a starter. If you eat too much of it you may lose your appetite for the main course.	similar start-up problems. 183hb. They have to somehow manage the costs of their innovations.
184a. The prisoners were starving so they were all too familiar with stomach spasms and the feeling of helplessness.	184b. Billy says that starvation would be a lot better than spilling your guts to the enemies and becoming a traitor.	
185a. First we have to straighten the wire.		185b. I like your straightforward approach to (towards/toward) people. 185c. Why didn't you go straight home? 185d. Fortunately, they repaired my watch straightaway.
186a. Their troops have been stationing in several countries.	186b. Apparently a gunman was seen on the roof of the station and was sniping	186d. A stationary object is an easier target for an attack than a constantly

Copyright by ADL Publishing Elżbieta Żółtak 2020

Will they all be sent back home one day?	at those who (that) wanted to go out to get some food for themselves. 186c. To become a stationmaster one should be responsible and dutiful.	moving one.
	187a. Simon seems perfectly content with the current status of the affairs. 187b. If you continue what you have been doing so far you'll be able to maintain the status quo which (that) is favourable (favorable) for you.	
	188a. Has anybody seen or read the statute of the association? 188b. If one rule contradicts another one, the set of regulations can't be considered as statute law. 188c. If Sarah committed a statutory offence she will be tried and possibly punished by a court.	188d. Can you prove that it's your statutory right to help homeless people?
189a. If you want to stay and help me clean up the place, put on this buggy sleeveless with slits on the sides. Your smart dress won't get stained then. 189b. Her friends are going out but Susan is staying in to do what she likes – do another crossword puzzle. 189c. Lucas stayed up till 4 a.m. He says finding and correcting that pesky code error in his computer program took him several hours. 189da. Matthew is determined to stay out	189e. What did grandma say about her stay in her cousin's house abroad?	

Copyright by ADL Publishing Elżbieta Żółtak 2020

of this controversy. 189db. He says the polemics doesn't concern him in any way.		
190a. Grandpa claimed someone had stolen the garden shears from the shed but his granddaughter found them under the holly bush.		190ba. According to the official statement, the stolen plane hasn't been shot down. 190bb. It landed safely and is in a secret location now.
191aa. There were two reasons. First, the owner of the orchard didn't feed his juvenile workers properly and they became very weak. 191ab. Second, he stepped right at the moment when the girl who (that) was holding a branch was so exhausted that she let it go. 191ac. The branch sprang and lightly scratched his face.	191b. How long ago did you realize that your only option is to be one step ahead of your rival? 191ca. This stepladder is safe and very convenient. 191cb. Mum uses it to water the plants that (which) are high on the shelves. 191d. Alice likes to sleep over at her friend's Nina place because Nina's stepmother always tells the girls fabulous bedtime stories. 191ea. Basia's stepfather was one of the reporters who (that) were immediately on the spot. 191eb. He was interviewing the fans who (that) gathered outside the hotel where the pop star was allegedly staying. 191fa. When her stepsister told Leokadia that they weren't going to hear her swan song yet because she wasn't going to retire any time soon, Leokadia asked what a "swan song" meant. 191fb. Her stepsister explained that a "swan song" is a term derived from a legend. 191fc. Although swans are

	serve very well those who (that) specialize in obtaining, exchanging, managing and manipulating information.	
193aa. Fortunately Wilmer has got a bottle of 96 per cent spirit in his backpack (rucksack). 193ab. He was planning to make us drinks when we reach our destination. 193ac. He is giving it to you instead so that you sterilize this awful, extensive wound on your calf.	193ba. Sterilization can mean killing microbes which (that) cause diseases. 193bb. It can also mean disabling a living organism to have offspring. 193c. The paramedic questions the sterility of the bandage. He says that the lack of sterility may have been the reason why even more pus accumulated in the ulcer (abscess). 193d. The surgical instruments are in a sterilizer so the operation can start in about five minutes.	193ea. Splash the sterile tissue with mud to contaminate it and carry out your own tests. 193eb. Then publicly undermine the credibility of the test results obtained by another team and show people that you got completely different results. 193ec. In this simple way you will have the public split into the supporters and opponents of your point of view. 193ed. In other words, if you hadn't contaminated the samples, you wouldn't have won over any supporters at all. 193fa. Malic claims the documentary has been an eye opener. 193fb. It has had a sterilizing effect on him. Malic has altogether stopped believing in the propaganda he's been fed for years.
194a. You can easily stick the thermometer to a smooth surface because it's got a sucker. 194b. Andy wanted to stick the pieces of a chopstick together with glue but the glue stick was empty.	194ca. Children love baked potatoes. 194cb. That's why they eagerly went to collect sticks to make a bonfire and later be able to bake potatoes in the hot ash. 194d. If the sticker fell off, take another one, with a thicker layer of glue. 194ea. The investor knows all too well that building houses in the area is illegal.	194g. When you say Alister has sticky fingers you mean he is likely to steal something from my house or that his fingers are gluey because he's just been eating a slice of bread with honey? 194ha. Here is your stick-on badge. 194hb. Every participant of the conference is obliged to wear it.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	194eb. Either he withdraws from the project or the issue will become the major sticking point which (that) will render any further negotiations impossible. 194f. Adam's new comic strip is about a funny and adventurous stick (matchstick) figure.	194i. After the sandstorm not only was the vehicle stuck in a sand mound but the key got stuck in the lock so firmly that it wouldn't even budge.
195a. The designer's face muscles stiffened when the investor told him they wouldn't support his ideas financially.	195b. The stiffness of the fabric depends on the quality of the threads used to weave it. 195ca. When the problem is very complex and you have to negotiate a solution with a stiff-necked opponent, squaring the circle might seem almost impossible. 195cb. Yet it's always worthwhile to keep trying.	195d. Stiff conditions of the competition require equally stiff rules. 195e. The mountaineer is considered to be stiff-necked so it might be difficult to persuade him to change his mind.
196a. Peaceful conversations and convincing arguments that nobody means to hurt them should still the doubts and fears of those youngsters.	196b. Deep in the forest, by the lake, with the full moon high above their heads, the campers enjoyed (cherished) the stillness of the night. 196ca. This eccentric painter often comes to the flea market. 196cb. He says he usually finds there interesting artefacts (artifact) which (that) he later places in his still lives. 196da. In this still from the CCTV camera footage you can see the face of the wanted man. 196db. It's the one hiding behind the tall guys.	196e. On a still day like today it would be difficult to sail across the bay in a few hours. 196f. The nearest health centre (center) is fifty miles away from the village so stillborn children are not a complete rarity there.
197aa. The homeless trickster had already known the story about a beautiful view from the window in your room.	197ba. The lecturer says there is no effective marketing without understanding how stimulation works. 197bb. You need to know	197fa. On the one hand, the prospect of winning another trophy and obtaining even greater wealth and fame were very stimulating.

Copyright by ADL Publishing Elżbieta Żółtak 2020

197ab. It was supposed to stimulate his desires. 197ac. He was to do what you wanted him to in order to get a place in the room. 197ad. If he had got there he would have discovered that the window faces a wall. 197ae. He wouldn't have been able to get out because the only exit would have been blocked.	which agents to use to properly activate nerves, muscles or sensory end organs of your target customer and have (get) him buy your product. 197c. According to one study, an individual can be conditioned to respond to a certain stimulus in a desirable way. 197da. Adrian claims it's all the fault of the outside stimuli. 197db. He only positively responds to the commercials which (that) tell him to act according to the motto: "Spoil yourself with the advertised product – this is the right you deserve." 197ea. Paul reacted to the stimulants that irritated his stomach in the right way. 197eb. He spewed up the food he had eaten and in this simple manner he rid his body of the poisonous substances his meal contained.	197fb. On the other hand, the remnants of common sense and the survival instinct were telling the young female athlete: "Stop it. 197fc. Your body is in a gruesome state. It is suffering and is already maimed (crippled) by years of merciless trainings. 197fd. Why are you pushing your system beyond the limits of its endurance? 197fe. Is it so important that your fans buy more products which (that) you advertise? 197ff. Will you be much happier when you give more autographs and buy yourself another summer house?"
198aa. When the time for the sheep to be shorn came a wasp stung the father on the right hand. 198ab. The wound hurt and he couldn't hold the shears. 198ac. He asked his son to shear the sheep for him.	198b. Is the scorpion the only insect with a sting in its tail?	198c. The stinging pain in your thigh may be caused by cramp. 198d. Your neighbours (neighbors) are rather stingy so I wouldn't count on much help.
199aa. The poor have little money. They won't be able to stock up on food. 199ab. The rich will be able to, but then there	199c. The new models are already in stock so let's find out how they differ from the old ones. 199d. The stockbrokers agreed that their novel	

Copyright by ADL Publishing Elżbieta Żółtak 2020

aren't so many of them. 199ac. So shouldn't the rich be interested in having a good rapport with the poor? 199ba. Thanks to the virtual world of the Internet you have access to all the neatly stockpiled data. 199bb. You can for example retrace the steps taken by your favourite (favorite) celebrity. 199bc. You can discover what motivated them and helped them to become famous and successful.	investment strategy must be as obvious as the distinctive spire of the city's cathedral, which is famous around the world. 199ea. As long as people have more money than they need in order to survive, they will buy stocks and shares and support financially stock exchanges. 199eb. Stock companies will still be able to keep issuing stocks and shares to repair their failing finances. 199f. Alan's jealous friends joke that his wife is so attractive that if he put the shares of her at the stock exchange, there would be a lot of buyers and Alan would soon become a very wealthy man. 199ga. There are many ways of bringing somebody to bankruptcy. 199gb. Do you remember that film? One of the stockholders of a big company lost his shares because he spent a huge amount of money on ransom. 199gc. He paid a kidnapper for freeing an abducted child. 199gd. The kidnapped boy was his son's friend and had been abducted by mistake. The criminal thought who was kidnapping the businessman's kid. 199ha. A middleman approached a stockman and said to him: "You work extremely hard to look after your livestock while I have	

Copyright by ADL Publishing Elżbieta Żółtak 2020

	a phone number of a stockbroker for you. 199hb. He can help you make a lot of money on the stock market. 199hc. Sell your cows and arrange a meeting with the stockbroker. 199hd. He will invest your money and will make you rich.” 199ia. The foreign investors appeared to be very well prepared. 199ib. When they moved to our town they immediately opened a modern multiplex and a video-rental store with a huge stockpile of films.	
200aa. What if they threaten to stone you? 200ab. Will you stick to your guns because you are so firmly convinced that you are right?	200ba. The kidnapped, kept against their will and harassed women later said they became as hard as stone. 200bb. The oppressor may have taken away their freedom but has never broken their spirits. 200ca. The Stone Age people must have had extraordinary skills. 200cb. They enabled them to survive with the help of very primitive tools.	200d. Good trekking boots with thick soles will be suitable for those stony trails. 200ea. Our old dog is stone deaf. 200eb. He must also have lost his sense of smell because he barks only when a stranger comes very near and the dog can see him. 200fa. In case of stonewashed jeans size 10 we are temporarily out of stock. 200fb. But we are expecting a delivery next Thursday, ma’am. 200g. To decorate the cake put stoned cherries on its top.
201a. Stop splitting hairs and concentrate on completing the job on which you’ve been working. (Stop splitting hairs and concentrate on completing the job	201b. The engine was brought to a stop just in time and the passengers of the train were unharmed. 201c. We thought the driver would correctly react to the stop light.	201fa. Noel’s managerial career has spanned forty years. 201fb. Whenever he undertook a new venture he seemed unstoppable.

Copyright by ADL Publishing Elżbieta Żółtak 2020

you’ve been working on.)	201da. The stoppages in the cash flow should serve as a warning to the chick breeder. 201db. He must realize that if he doesn’t buy our fodder and fertilizers he won’t survive in our market. 201e. The shop was well stocked with all kinds of stopwatches.
