	risen. Suddenly everybody believed that they could have a better life. 96gc. You have presented an illusory portrait of western democracies and people have thought human rights could really be respected. 96gd. You have corrupted the establishments in virtually every country. You have conquered them economically and thanks to the state-of-the-art invigilation systems you have gained absolute power and a possibility to control every single individual. 96ge. You have worked out effective ways of impoverishing and blocking career prospects for those who (that) refuse to abide by your immoral rules of the game. 96gf. What will you do next?” 96h. To incite excitement, the headlines were announcing a showdown encounter between the two groups of environmentalists. 96ia. The clients who come to the showroom with the most exclusive cars are entertained with a spectacle in which actors dressed in traditional costumes participate in an ancient ceremony. 96ib. Those show-offs are good-looking and ostentatious. 96ic. They are also conspicuously self-confident when they present sanguine views of the solutions to	

Copyright by ADL Publishing Elżbieta Żółtak 2020

	the problems they have created. 96j. People paid staggering sums of money to attend the reception to honour (honor) the acclaimed showman.	
97a. If the CEO (chief executive officer) and his team do not intend to shy away from their responsibilities, they may already be working on correcting the past managerial errors.	97b. Does the girl's shyness stem from the fact that she has very domineering parents?	97c. Can you believe that the video-clip made by the shiest pupil from the class shot straight to number one on the website chart?
98a. Karl doesn't easily become sickened by rude and offensive remarks.	98b. This vast area is sparsely populated. The sick from the villages have to travel long distances to see a doctor in a town. 98c. Sickness would mean that Nicole couldn't do what she likes, which is to realize her projects. That's why Nicole doesn't get (become) ill. 98d. How many times had Travis been on sick leave and what sickness benefits had he received before he retired?	98e. The piano piece reminded Carina about her country and made her homesick. 98f. Did Maurice show those drastic photos to make the kids sick? 98g. Olivia travels a lot but she never feels seasick or airsick. 98h. Some of the fish in the shoal seem sick. We don't know yet what sickness it is. 98i. When Gabbie watched the documentary about an unemployed single mother and her sickly twins, she felt really sad. 98j. Looks like they are going to continue carrying out those sickening attacks.
99aa. Justin shuns sponsorship because he says he wants to feel independent. 99ab. He shuns limelight because only his works and how useful they are for	99d. Let's find out why Travers has decided to change sides. 99ea. For the Foxes, values like human integrity are side issues. 99eb. Yet their company has been tremendously	99i. A cube is a six-sided solid object. 99j. Leaving (Putting) aside past grievances, every sinner is given a new opportunity to prove that they have successfully freed

Copyright by ADL Publishing Elżbieta Żółtak 2020

others matter to him. 99ac. He refuses to side with one party against any other because he aims at looking for solutions, not conflicts. 99b. What the representatives of the sect routinely do is to throw the burden off their backs, place it deftly on the shoulders of one of their inferiors and sidestep skillfully so that they don't get hit with an egg. 99c. For your opponent to be sidelined, you need to co-ordinate your efforts and create an invention which will put the gadget he uses in the shade.	successful. 99ec. Their infamous medicines have been widely used all over the world. 99ed. Now we are to deal with numerous, life-threatening side effects of their remedies. 99f. It's possible that the stabbing was seen only from the sidelines. 99g. The traffic lights are well synchronized so when you get to the next side road you should have the green light. 99h. The stray dog snarled but the drunk man on the pavement (sidewalk) staggered along without paying much attention to the animal.	themselves from (of) their demons, once and for all. 99k. If you move the middle segment of the jigsaw puzzle sideways, the picture will present itself very differently. 99la. Celia left her daughter's sledge (sled/sleigh) outside and somebody stole it. 99lb. She bought a new one and she always keeps it inside now. 99m. The officers will turn the apartment inside out, they will sift flour, if there is any, and examine strands of hair to find the tiniest amount of narcotics. 99n. "Dirt is only skin-deep," said the jockey and turned his soaked and soiled breeches inside out. 99oa. The upside of the situation is that Jeremy likes to live in a secluded place. 99ob. The downside is that when he can't do what he likes, he feels sad. 99p. When the foresters turned the stump upside down, they saw it was inhabited by a swarm of wasps. 99r. Aside from skulls and bones of different animals found at the excavation site, the archeologists discovered dried and well preserved scalps.
100a. You should sign every page of the deal (agreement).	100b. Does this sign forbid smoking? 100c. Your signature on this document is very important for us. 100d. To become	100g. The treaty remained unsigned. 100h. Did Zuph take the first turning on the left and enter the road signposted "To the Water Purification

Copyright by ADL Publishing Elżbieta Żółtak 2020

	a signatory of the Free Will Declaration a person or an organization must be able to defend themselves against any interference. 100e. If they don't understand what you are saying try sign language, like blinking your eye, etc. 100f. Follow the signposts and you won't lose your way.	Plant"?
101a. Superficial interpersonal relations, indifference to the problems of others and putting your own interests above everything else signal that the society is sick.	101b. The radars are tuned in to pick up any signal which (that) can indicate that a foreign plane has entered their air space.	
102a. The red light signifies that you can't go.	102b. Kamil believes that in the future people will appreciate the significance of his discovery.	102c. They've made (a) significant progress in preparing a vaccine against a new strain of TB (tuberculosis). 102d. The differences in the two designs are insignificant.
103a. To silence the baby put a dummy (soother) into its mouth.	103b. The silence commemorating the victims of the tragedy lasted one minute. 103c. Your silencer doesn't work, does it?	103d. The inhabitants looked silently at their collapsed apartment house. 103e. The examiner asked yet another question, but the student remained silent.
104a. Why don't you simplify the way you run your business? 104b. My secretary oversimplified what I'd said earlier.	104c. The simplicity of the solution impressed the listeners a lot. 104d. When can we expect a simplification of the control procedure?	104e. Finding Martha's home wasn't so simple. 104f. You simply overlooked a few important facts. 104g. A simple-minded person should also be able to operate this machine. 104h. I can't agree with such a simplistic treatment of the phenomenon.

Copyright by ADL Publishing Elżbieta Żółtak 2020

105aa. You are bound to deal with individuals who (that) will perfectly simulate the behaviour (behavior) of a compassionate friend. 105ab. Such people are real masters of falsity and it's extremely difficult to unmask their true face.	105ba. The simulation should disclose what motivates the members of the management to act. 105bb. Whether their main concern is how to secure the future for their families and their cronies or whether they are genuinely interested in the fate of the people who (that) work for them. 105c. Oliver has passed all the tests on the simulator, so he can be the best pilot we have.	105d. "The gimmick is that it's virtually impossible to distinguish between simulated empathy and the real thing," thought Emmanuel and set up a charitable organization.
106a. Do you know many people who (that) don't sin even if they are sinned against?	106ba. Geoff left the odd temple very disappointed. 106bb. "Nobody promises that my sins will be forgiven (remitted), so why should I confess and repent?", he pondered. 106c. Finley says he is an ordinary sinner. He likes a comfortable life, good food and drinks and entertaining games.	106d. Almost everybody feels that hurting others is a sinful act and that's why most of us don't do it. 106e. It staggered Adisson that the preacher's soft words contained a clearly sinister undertone of warning.
	107aa. In the company of hypocrites, sincerity could be an unacceptable oddity (freak/whim). 107ab. In the company of trustworthy friends, sincerity is a priceless virtue.	107b. It's a pity the old man didn't appreciate your sincere criticism when you said that if you were in his shoes you wouldn't divide the house into two parts. 107c. Flattery is insincere by definition. An apology in the mouth of an envious person is most likely to be insincere. 107d. Britney seemed to be sincerely sorry for having to turn down (reject) our offer.
108a. Anabella usually sings that piece at the end of her concert.	108b. At dawn we were woken up by the singing of the birds. 108c. There are many talented singers but only	

Copyright by ADL Publishing Elżbieta Żółtak 2020

	a few of them become known worldwide. 108d. The song has been around for a lot longer than you might think.	
109a. Florinda may have been singled out for promotion because her father holds a governmental post.	109b. Did Dayton buy a single to Australia? 109c. What restrictions did the single market impose on the company? 109d. As a single parent Kristel should be used to hardship, shouldn't she? 109e. Why do they organize parties only for singles? 109f. The singular of "phenomena" is "phenomenon", the plural of "bacterium" is "bacteria". 109g. A phenomenon which includes the exposure of the full spectrum of sunlight can be deemed a singularity if it is extremely rare because it requires the fulfilment (fulfillment) of very specific conditions.	109h. We expect not a single act of make-believe but a series of decisions, followed by clearly visible for us, positive outcomes. 109i. Without all the manuals, instructive conference lectures and inspirational films Samuel wouldn't become a single-handed craftsman (artisan). 109j. They are single-minded in their pursuit of power and they believe that every job can be done by their magical machine. 109k. That singular case has been mentioned in numerous articles in scientific journals.
110aa. The team of "The Red Pants" routinely use insinuations. 110ab. They know they are powerful weapons, as intriguing messages, true or false, sink deep into the listeners' minds. 110ac. The team of "The White Pants" limit themselves to fair play which (that) should allow "The Red Pants" to repair the mistakes they have committed.	110b. When the mother came into the kitchen, she saw her two little sons laughing and splashing water out of the sink.	110c. When another sunken iron frame was brought to the surface it turned out that it was coated with small, red sea creatures which (that) had firmly stuck to it.
111aa. The father was asked to sit his young daughter on the wall so that	111d. Freddie sat down at the table in the sitting room and started to do her homework.	

Copyright by ADL Publishing Elżbieta Żółtak 2020

the photographer could take a nice picture of her. 111ab. He did as he was told, but the girl fell and was badly injured. 111ac. Now the man doesn't want her younger brother to face the same fate. 111b. The tutor can't order his students to sit another exam this semester because they have already had all which (that) have been planned. 111c. Is the captain of "The Red Pants" still looking for someone who (that) will sit (stand) in for him during the next series of league matches?	111e. The director of the popular sitcom reveals that its fans can expect surprising turns of events in the coming episodes. 111fa. You can stage a sit-in and the representatives of the management may listen to your demands. 111fb. It doesn't however change the fact that they own your workplaces. Your fate is in their hands. 111g. Sitting on the fence allowed Mark to watch and compare what was happening on its both sides. 111h. Regular sit-ups strengthen your abdominal muscles.	
112a. Vanessa wishes she had learnt how to skate.	112b. When Gareth got a new pair of skates from his parents, he went skating on the frozen moat. 112c. You need to be very agile (nimble) to steer your skateboard so that it moves the way you want it to. 112d. Some skaters complained that the surface of the ice wasn't even and smooth enough. 112e. It's a large complex containing an indoor skating rink where you can practise (practice) figure skating as well as speed skating.	
113a. Vincent was so absorbed in sketching the bewildering view from the hill that he had no idea that a stranger was standing	113b. If they like your sketches they might offer you a job of a graphic artist.	113c. The details were insignificant so a sketchy account of the journey sufficed.

Copyright by ADL Publishing Elżbieta Żółtak 2020

behind him and was filming the whole creative process.		
114a. Why don't we situate the pond at the back of the garden (yard).	114b. Probably you wouldn't like to find yourself in a situation similar to mine.	114c. Your shop could be better situated.
115a. Brenton used to ski a lot every winter.	115b. Chuck prefers much longer skis because he can achieve greater speed. 115c. The skier has just started his tenth downhill run. 115d. The chair ski lift is not far from the newly built toboggan run. 115e. In the morning the ski runs (trails) were in a perfect state but at 4 p.m. there was ice in many places and lots of moguls (bumps) so the snowcats (trail groomers) were ready to groom the surface again. 115f. Each of the top ski jumpers taking part in the competition hoped he would set a new record of the ski jump.	
	116a. Now we'll check your manual skills.	116b. You very skilfully (skillfully) maneuvered between people while running to me. 116c. How long will it take for a skilled brick-layer to build the house? 116d. How many unskilled workers can you accept into the course?
117a. What the government can't afford is the costs of living to skyrocket.	117ba. When the campers heard the characteristic squeal and looked at the sky they saw another flock of wild geese. 117bb. This time they were heading north. 117c. Since skydiving is gaining popularity among	117f. The gust of wind took the kite off the ground and it quickly soared skywards. 117g. It's the money, valuables and properties they've accumulated during their years in power, not their sky-high

Copyright by ADL Publishing Elżbieta Żółtak 2020

	those who (that) belong to social elites, it is essential to prepare and closely monitor every possible landing place. 117da. On the twentieth floor of the skyscraper there is the law firm which (that) apparently represents the body of CEOs who (that) are suing the lawmakers. 117db. The plaintiffs accuse the legislators of imposing taxes which (that) have ruined their companies. 117ea. To the west, there is a spectacular skyline dominated by the mountains. 117eb. On their tops you can see several craters of the extinct volcanoes.	self-confidence that (which) will allow them to survive the crisis. 117h. In the sky in Ann's painting you can see the radiating sun and all hues of blue, from sky-blue to azure blue to gray (grey) blue to navy (dark) blue.
118a. They say that you're enslaved to your firm.	118b. Slavery allowed some (people) to become very rich. 118c. Wouldn't you like to have a slave who would clean (tidy up) your room for you? 118d. Becky did not anticipate that the soft-spoken (softly-spoken), ingratiating owner of the weaving workshop would soon turn out to be an uncompassionate slave-driver. 118e. The most ruthless and merciless have made their fortunes through slave trade.	118f. Don't imitate (mimic) slavishly your master – he may sometimes be wrong.
119a. Darrel slept soundly for eleven hours so it's time to wake him up. 119ba. The woman claims she remembers nothing. She must	119c. After a good night's sleep Nicolas was full of energy, enthusiasm and new ideas. 119d. Keep quiet so that you don't wake the sleepers who (that) need their rest.	119g. It was 2 a.m. so Marlon felt sleepy. Yet just when he was about to fall asleep he heard the sound of a siren. 119h. After a few sleepless nights Laurence

Copyright by ADL Publishing Elżbieta Żółtak 2020

have sleepwalked then. 119bb. She went to another room, found an open safe there, took out the jewellery (jewelry) and cash and hid the loot under the loose floorboard.	119e. The hitch-hikers spent the night in their sleeping bags, in the olive grove near the road. 119f. Audrey may have no idea that her husband has been adding sleeping pills (tablets) to her evening drinks.	began to wonder whether he suffered from insomnia. 119i. You were asleep so you couldn't have heard your ex-partner confess that he knew he could manipulate you with impunity because you trusted him completely.
120a. The kids had a lot of fun when they were sliding on the polished tile floor in the school hall.	120ba. The rules of the game "Two On The Slide" are very simple. Your partner tries to secure the place above you by unscrupulously pushing you down and by cunningly taking advantage of your every mistake. 120bb. The player who (that) manages to stay on the slide longer is the winner. 120ca. The slide presentation well illustrated (depicted) the development process: from the moment of infection to a life-threatening inflammation. 120cb. The disease is caused by an uncontrolled multiplication of the viruses in the patient's brain and nervous system. 120d. Did Dellma finally discover that the wardrobe was in the wall, behind the sliding doors?	
121a. If Aline keeps eating a big portion of ice-cream every day, she is unlikely to slim down.	121b. The more obese someone is the longer slimming may last. 121c. Every slimmer must work out their own ways of self-control.	121d. Adela is slim because she has a healthy diet and she is physically active.
122aa. Michael had better not walk down the wet log. He may slip and fall. 122ab. He should wait	122b. The statesman warned of a possible slide into recession but later he apologized to the nation, saying it had been a slip of	122e. "The track (path) is slippery, sir. Let me carry your heavy bag," said the porter.

Copyright by ADL Publishing Elżbieta Żółtak 2020

for the rescue team.	the tongue from his side. 122ca. One of dad's slippers was behind an armchair and the second one was under his desk. 122cb. The children must have been playing in his room. 122d. There can be no slip-ups. Let sleeping dogs lie.	
123a. In about a hundred metres (meters) the trail will begin to slope down so the cyclists will ride a lot faster.	123b. The monastery is at the top of the mountain so the monks regularly walk down and up the slope. 123ca. The workers know there will be no excuse for sloppiness this time. 123cb. Therefore they will make every effort not to make any mistake and to appear as innocent as the saints themselves.	123d. Most houses here have simple, slopping (slopped) roofs. 123e. Albert maintains that the misunderstanding wasn't the result of his sloppy thinking but the skewed data on which he based his analysis.
