12.8 Zdania z wyrazami zaczynającymi się od **s**
Część 4/8 Zdania **124a - 149i – klucz**

Uwaga: Poniższe angielskie zdania nie zawsze są jedynymi możliwymi tłumaczeniami polskich zdań z ćwiczeń. W nawiasach umieściliśmy alternatywne słowa lub amerykańskie odpowiedniki brytyjskich słów.

Ćwiczenie **1/1**

zdania z czasownikami	**zdania z rzeczownikami**	**zdania z przymiotnikami lub przysłówkami**
124a. Had Walter not slowed down while running down the hill he could have slid and fallen on the wet gravel.	124b. The slowness of her reactions to stimuli can be a bit irritating at times, can't it? 124c. A slow-motion replay of the recording allowed the investigators to notice many more details. 124d. The economic slowdown will affect the poor the most so watch closely what the government will do for the people who (that) work for the prosperity of the owners of the means of production in the country.	124e. They may regret having reacted too slowly when the infected eel slipped through the net. 124fa. The barking dog was becoming quieter very slowly. 124fb. Perhaps the pins pricked into its back were hurting it a bit too much. 124g. A slow-witted person can't be responsible for a continuous update of a contemporary online dictionary.
	125aa. Smallpox is a very dangerous disease and that's bad news. 125ab. The good news is that you can avoid becoming infected if you keep away from the disease vectors. 125b. In case of an ordinary sloppy story you needn't worry about the small print. In case of a document it can contain information which (that) you mustn't ignore. 125c. When you are making small talk you don't include sensitive issues like, whether someone's reputation is on the slide. 125d. Don't tell me that this unattractive, sloppy dress cost Barbara a small fortune.	125e. You can't draw the map of the whole area on a small slip of paper. 125f. Small-scale farming can allow the peasants to survive the winter, provided they co-operate and help each other in the time of hardship.
126aa. The trader	126b. Every smoke detector	126d. Do you know all

Copyright by ADL Publishing Elżbieta Żółtak 2020

offered me a cigarette but I said I don't smoke and I moved away from him. 126ab. I've heard he is a slippery character so I'd rather stay away from him.	in the building is checked regularly so whenever the density of dangerous substances in the air is above the safety limit, the alarm goes off. 126ca. Although Jedies looked very similar to Humes, they noticed they were very different. 126cb. Most of them were vulnerable to addictions. For example, there were lots of heavy smokers among them. 126cc. On the other hand, many of Humes were not addicted to bad habits. 126cd. Jedies soon noticed, that Humes did not understand what words like: smoking, a smokestack or smokescreen could actually mean. 126ce. So Jedies started to freely inform one another about matters of importance in the presence of unsuspecting Humes. 126cf. It also amused them how easy it was for them to fool Humes.	the habits and addictions of that non-smoking workaholic? 126e. Working in a smoke-free (non-smoking/no smoking) environment can be a real pleasure. 126fa. The air was smoky and Dave couldn't see very clearly. 126fb. That's why when the frog slipped from his grasp he couldn't catch it again.
127aa. The pranksters invited the guards to a party and treated them with a lot of alcohol. 127ab. When the guards got completely drunk, the jokesters stole their guns and smuggled them abroad.	127ba. Last night the boys drove the same smugglers away from our village. 127bb. It's possible they wanted to bring swarms of ticks into our forest, as it happened in the neighbouring (neighboring) village. 127bc. Now it's unsafe to go for a walk there. 127ca. Smuggling can come in many different forms and shapes. 127cb. For instance: extract (pull out) a unique	127d. "Did you make sure that every single page of the smuggled documents has been completely destroyed?" the commander asked his officer.

	talent from their home country, educate in your university, allow their career to flourish and pay them well for the jobs they do for you. 127cc. They in turn will provide you with invaluable insights into their native culture. 127cd. This knowledge will allow you to work out the best non-violent methods of keeping that nation under your absolute control.	
128aa. Melanie was an easy target. She was beautiful and too trustful. 128ab. On top of that, she was unhappy because she was purposefully neglected by her husband. 128ac. Cruel and hardened professionals entered the scene. 128ad. They sneaked into her heart and triumphantly celebrated another success in their life.	128ba. You carelessly left your white sneakers on the doormat. 128bb. When dad came home from the construction site it was pitch-dark in the hall. 128bc. He stepped on your shoes and soiled them with mud. 128bd. Take this piece of cloth and clean your sneakers before you go to school. 128ca. Now we are absolutely certain. That's the person capable of creating a new blueprint. 128cb. We must deploy our best sneak thieves to get into his house. 128cc. Wherever he is, one of our sneaks must always be by his side. 128cd. He must appear friendly and helpful. But his job is to record every word of the man's confessions.	128d. "Every sneak attack must be proceeded by a thorough research and must be very carefully planned," the project manager reminded his staff. 128ea. According to the Transactional Analysis some people suffer from the "I'm OK – You are Not OK" syndrome. 128eb. It may be that some of them, as children, were deprived of sincere parental care and love. 128ec. In their adult life they may want to be compensated for having been neglected and that's why some of them become sneaky.
	129a. The snobs were all smiles. It seemed that everybody reacted exactly the way they had it choreographed.	129ea. Noreen is snobbish (stuck-up) and always tries to hide her incompetence. 129eb. When someone raises a slippery topic,

Copyright by ADL Publishing Elżbieta Żółtak 2020

	129b. The better common people understood the purpose of political gimmicks, the more difficult it was for the politicians to sweep the inconvenient truths under the carpet. 129c. The richest emphasized the importance of materialism in the modern world and to some they appeared great and enviable. 129da. The editor was convinced they would find a way to degrade the author. 129db. “If we can’t accuse him of snobbery because he belongs to the upper class and is rich, we can accuse him of inverted snobbery because he is proud of being poor and doesn’t want to belong to the rich,” he told his journalists.	Noreen frowns, skews her head and immediately starts talking about something else.
130aa. “It is snowing heavily,” said a little girl. 130ab. “It is snowing heavily because you didn’t do your homework in time,” said the preacher.	130ba. The power-thirsty tribes have always been on the look-out for those who (that) dare (to) say that snow is not white. 130bb. For centuries they have been perfecting methods how to make use of such individuals for their own gains. 130bc. In case of the disobedient they have used different forms of disqualifications. 130ca. You too can be one of those poor souls who (that) haven’t held on to the side edge of the slide firmly enough. 130cb. If those who (that) are above you succeed in pushing you down, you will disgrace yourself.	130j. It can be snowy at higher altitudes. If you are driving in that direction, take snow chains.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	130cc. You may find yourself at the bottom of the snowdrift that is just beginning to form at the foot of the slide. 130da. It was wise of you to check the inside of the snowman. You found your purse there. 130db. It must have fallen out of your handbag and got into the snow when you were going to the grocery store. 130dc. The kids who (that) were making that snowman must have accidentally rolled the purse into the snowball which (that) is the snowman's belly now. 130e. Having tested several different snowboards Wymond chose that one. He says he has never fallen when he has been riding it. 130f. If you don't have spare cash you don't go snowboarding, do you? 130ga. They can't be picking snowdrops in that settlement. 130gb. The driver of the snowplough says he has been summoned to go there because the colony has been snowed up. 130ha. We can do something for those travellers (travelers). We can throw snowballs at them to keep them awake. 130hb. They'd better not fall asleep in that snowfield when the snowstorm is forecast. 130hc. They'd better move to their camp. 130i. Have you ever found	

Copyright by ADL Publishing Elżbieta Żółtak 2020

	two identical snowflakes?	
131aa. The early warning system worked well. 131ab. The advocates of doping were informed that their expansion plan could go up in smoke. The signal they got should have sobered them.	131b. When your guardian says sobriety he means both: never get drunk and always be sensible and serious.	131ca. That sober man who (that) is standing in the corner of the room says that religion has always been used as a means to control masses. 131cb. Will you try to make him drunk or silence him by offering him his part in your game? 131d. When later a sobering reflection came, Haggai decided he didn't want to find himself on that slippery slope.
132a. At the party you'll be able to socialize.	132b. Shouldn't we learn sociology from ants? 132c. Some say socialism is a theoretical and utopian system. 132d. The police have been tracking down the sociopath for a year. 132e. We don't live in a perfect society. 132fa. For socialites the meetings are not only a vital source of information about the people who (that) matter. 132fb. They are also ways of promoting themselves as well-informed friends. 132ga. Did Jim get engaged in social work because he wanted to help those in need? 132gb. Or perhaps because he wanted to be popular with the local people and become known as a generous person so that he could use his social status in order to promote certain goods? 132h. Which of your social workers will continue to do	132l. I wouldn't call Leo a sociable person. 132m. What do we know about the social background of the man? 132n. I don't believe in John's socialistic opinions. 132o. Kate's husband will again have to work unsocial (unsociable) hours. 132p. It may be wrong to assume that an unsociable person must be selfish and unfriendly.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	their jobs once you stop paying them? 132i. Why should social services provide any help to those who (that) don't ask for it? 132j. Sociologists are to predict how the crowd is likely to react to the decisions which (that) will negatively affect the fate of ordinary people. 132k. It's prudent to have some sort of social security.	
133a. If you soften your stance a bit further, the negotiations might be resumed in the near future.	133b. The name of their new soft drink (soda) may be even more important than its taste. 133ca. The man on the bench in the corner of the railway station lounge is sleeping like a log (baby). 133cb. May he have treated himself with a soft drug? 133d. Does your child really need another soft toy? 133e. Check if the software is available for free on the Internet. 133f. As in any profession, very gifted software engineers are a rarity. 133g. Our grandmas didn't add softeners to their washing and didn't complain that the clothes weren't soft enough.	133h. It was supposed to be a soft-boiled egg. 133i. "You can stroke its fur," the owner of the hairy animal said softly. 133j. That nice, soft-spoken (softly-spoken) saleswoman sounded very convincing when she talked about health benefits of using linseed oil. 133ka. Charlotte is soft-hearted and she becomes very emotional when she is watching a sad movie. 133kb. That's why she always has paper tissues with her.
	134a. The amount of electricity produced by this solar cell depends on the amount of sunlight that gets into it. 134b. Had the customer been softened up with an attractive gift before you offered him our solar panels? 134c. The Solar System	134d. Solar radiation is filtered by the Earth's atmosphere.

Copyright by ADL Publishing Elżbieta Żółtak 2020

	comprises the Sun and its planetary system of eight planets and their moons.	
	135a. Not only was the prisoner subjected to solitary confinement but he was also on a starvation diet. 135b. We were listening to this breathtaking violin solo in awed silence. 135c. How much talent and effort does it take to become a great piano soloist? 135da. When Gordon was informed about his rights and the fact that whatever he said could be used against him, he only said he would remain silent and he chose solitude. 135db. Now Gordon maintains it was a very good decision.	135e. Rick is a solitary man but he says he appreciates the company of people from whom he can learn a lot. 135f. This piece for solo saxophone was performed with bravado.
136a. We don't stigmatize those who (that) will voluntarily admit to their mistakes, apologize for their faults, repent sincerely and help us eradicate social deviancy (deviance).	136b. One reader asked the librarian if they had any books on the stigmatization of social deviants. 136c. The stigma bearers (The stigmatized) still have a choice. They can denounce immoral practices that violate fundamental social norms and volunteer to serve the community in which they exist, to the very best of their abilities. 136d. Those recurring thoughts haunted Truman and have been like the gushing, never-healing stigmata.	136e. You wouldn't like your children and grandchildren to be regarded as stigmatized deviants, would you?
137a. The boss said (that) I was to solve the problem of the delivery of the materials by noon	137c. Robert isn't a good problem solver. 137d. Perhaps you used the wrong solvent? 137e. Before we buy	137g. Wojtek says (that) this problem is unsolvable. 137h. Who knows how many mysterious crimes from the past have

Copyright by ADL Publishing Elżbieta Żółtak 2020

(by midday/twelve o'clock). 137b. As a chemist Monica should have known that dissolving this acid in that chemical is not feasible.	the company let's check its solvency. 137f. Victor's solution seems the simplest.	remained unsolved? 137i. Will the firm be solvent again if it changes its marketing strategy? 137ja. The charity seems insolvent but the owner claims he has no debts. 137jb. He says he isn't going to declare bankruptcy. 137k. The vitamin is soluble (dissolvable) in water and some organic solvents. 137l. This particular salt is insoluble in alcohol.
		138a. The learner's seeming inability to correct the errors somehow (someway) didn't convince the driving instructor. 138b. Only when they see they have absolutely no chance of practising (practicing) their suspicious rituals here will they move someplace (somewhere) else to exercise them. 138c. What can the editors of the magazine do to win their sometime reporter over and have him work on their behalf? 138d. It was somewhat bizarre. Gustaw, normally a quiet and gentle reader, slammed the door shut as he left the lecture hall.
139a. If the problem doesn't concern you directly, don't get involved and let it sort itself out. 139ba. The specimens that (which) you see in front of you are mixed up.	139c. If you want to find out what sort of specimen you deal with, for instance, if this is an innocent-looking cheat (fraud/imposter) that belongs to the HJ stream or an authentic, honest representative of the HH stream, you have to	

Copyright by ADL Publishing Elżbieta Żółtak 2020

139bb. Your task is to sort them and place into one of the two parallel streams. 139bc. They are the HJ stream and the HH stream. 139bd. The HJ stream contains specimens that, in order to prosper, use other individuals and specialize in playing all sorts of tricks so that they can appear reliable. 139be. The HH stream contains specimens that value independence, respect the rule of fair play and are authentically reliable. 139bf. In each of the streams specimens can be sorted through for their talents and abilities. 139bg. Accordingly, they can be placed into classes suitable for the level they represent. 139bh. It is also possible that the classes will compete with one another in terms of their academic achievements. 139bi. For example, the class of greedy, selfish and industrious geniuses from the HJ stream may challenge the class of generous, selfless and industrious geniuses	observe the exhibit for a long time and note how they behave in many various situations. 139da. Sorting is an essential stage. Don't make any mistake when you classify an item into the HJ or the HH stream. 139db. Carry out all the tests and make the correct, carefully verified judgement (judgment). 139dc. Then classify a specimen into the HJ or HH stream. 139ea. Sorting is a continuous process, that's why you should continue testing. 139eb. Some exhibits from the HJ stream may rehabilitate themselves by doing good for the rest of their lives. 139ec. Then they can start positive relationships with chosen, highly reliable representatives of the HH stream. 139ed. The specimens from the HH stream may in turn make a mistake that (which) disqualifies them. 139ee. In such a case they must be transferred into the HJ stream.	

Copyright by ADL Publishing Elżbieta Żółtak 2020

from the HH stream. 139bj. In reality, specimens from the HJ stream often glue themselves very firmly to the specimens from the HH stream. 139bk. This makes sorting out the ones from the others difficult.		
	140aa. The representatives of the HJ stream have the money, power and ownership certificates. 140ab. They can sell you down the river. In other words, they can sell your soul to the devil. 140ac. Yet to outcompete them, the representatives of the HH stream, also known as the untainted souls, mustn't resort to any sort of foul play. 140b. „The play is about soul-searching, not a very interesting subject for me, so I won't be at the premiere in the theatre," Wendy said with a smile.	140ca. Soulless businesspeople know many façades behind which they can cleverly hide their lack of moral courage and their personal avarice. 140cb. It can be the corporation they manage, the bank they depend financially on or the shareholders who (that) want high returns for the money they invest. 140da. Soulful fighters know many reasons why they must defend their principles and independence. 140db. They can't betray their ideals because they mustn't accept the status quo that they and their offspring are forever reduced to being slaves. 140dc. Therefore they have no other choice but to effectively guard themselves against the soulless. 140dd. If they don't do it, the soulless will keep subordinating the soulful to themselves with impunity. 140de. They will continue to take advantage by

Copyright by ADL Publishing Elżbieta Żółtak 2020

		abusing the soulful in an unscrupulous way.
141a. I don't want to sound cynical, but as far as your opponent is concerned, he knows lots of tricks, so you'd better watch your head.	141b. Ed didn't utter much sound when the steel door of the elevator (lift) squeezed his hand, did he? 141c. Did your sound engineer remove all the hum from the recording? 141d. Only the composer of the soundtrack of the film can make any alterations to it. 141ea. The movie is to convey a positive message to the audience. 141eb. The sound effects are to enhance the power of this delivery.	141f. We are in a soundproof chamber. No sound waves will escape outside so we can speak our minds. 141ga. We would be deeply concerned if the response from the parents were unsound. 141gb. They mustn't disappoint their children this time. They must teach their offspring that selfishness and greed are unacceptable. 141gc. Their kids must respect the rights of other kids. They too must contribute to the well-being of the community in which they live, and not only benefit from the hard work of others. 141ha. Let's hope those adults haven't completely lost their parental instincts. 141hb. Let's assume they will respond soundly and they start teaching their children proper social manners, so that their descendents have a chance to become part of a healthy society which (that) we would like to build. 141i. Had George junior turned out to be a drug pusher, the opponents of George senior would have had a sound argument against him.
	142a. The south of the country, where Dominic has his farm, is a very poor region.	142e. Strong south (southern) winds can only aggravate the already existing problems with

Copyright by ADL Publishing Elżbieta Żółtak 2020

	142b. The south-east is underdeveloped economically, isn't it? 142c. In the south-west there are numerous places of pristine natural beauty which (that) must be preserved intact. 142d. The South Pole expedition can be fraught with danger.	the unpredictable weather which (that) we are bound to face up to. 142f. What do you learn from the inhabitants of the southern settlements about the changing climate there? 142g. If you look southward (southwards), you can see piles of sandbags and a stone and concrete wall, still under construction, which (that) is supposed to protect the city from the flood.
	143a. Did the sovereign borrow money from the rich bankers and merchants to build the castle outside the capital? 143b. If it's still possible to invent new ways of undermining the sovereignty of an individual, we must get to know them.	143c. Did the foreign journalist ask the politician how he could prove that he represented a sovereign entity?
	144a. It was sometime last week that they decided to watch this stationary object on the Earth from the outer space. 144b. We had no idea that the constructors of a new spacecraft (spaceship) complained about inadequate funding. 144c. The astronauts who (that) are at the space station must be versatile and each of them should be able to do all sorts of jobs. 144d. Did the space shuttle bring food for the next six months for those who (that) are conducting the exploratory mission? 144e. If there is a puncture in the spacesuit, you can	144fa. Things might look very different from the point of view of a lawyer who (that) draws up contracts for the mining corporations while sitting in his spacious, top floor tower block office and a miner who (that) excavates his daily chunk of copper oar from a pit in the ground. 144fb. The lawyer's and the miner's fortunes are very different, yet they are inseparably intertwined. 144fc. They both depend on the demand for copper on the world market. 144fd. Both are a tiny part of a gigantic social turbine which (that) rotates like

Copyright by ADL Publishing Elżbieta Żółtak 2020

	cover it with this hermetic, self-adhesive patch.	a vicious circle and mercilessly bites Mother Earth. 144fe. The turbine is turning and is mindlessly exploiting the dwindling natural resources of the Earth. 144ff. Neither the lawyer nor the miner will try to stop it because it would be against their interests. Thanks to it they earn their livings.
145a. Spare me another lecture on perpetuum mobile. I know such devices do not exist.	145b. Ackley has got lots of spare parts for cars. He may have what you are looking for. 145c. You are travelling (traveling) across continents and you haven't got a spare tyre (tire)? Well, it takes all sorts to make a world.	145d. As long as people are given opportunities to earn money and have some spare cash at their disposal, they are bound to keep buying pretty artefacts (artifacts) in even prettier packages. 145ea. Sparing use of food you can afford is wise. 145eb. Starving yourself to death is not. 145fa. As far as trusting your frenemy (frienemy) is concerned, it is best to be unsparing in prudence and caution. 145fb. Remember that when he is offering you a carrot, in the hand he is holding behind his back he's got a stick with which he can whip (lash) you unsparingly. 145fc. In other words, he wouldn't offer you a carrot if he didn't have the stick.
146a. When a person is asking you to speak up, ask yourself if this isn't a frenemy (frienemy) who (that) is provoking you to	146c. The next speaker promised to do away with (to abolish) taxes and (to) guarantee a happy life for everyone (everybody). 146d. Ursula had jitters	146g. The accusations were so absurd that for a moment Eva was (remained) speechless. 146h. I prefer to talk to an outspoken person, not

Copyright by ADL Publishing Elżbieta Żółtak 2020

embarrass yourself. 146b. Can't you speak in a lower (softer) voice?	before delivering (giving) her speech. 146e. The speech therapy is bringing positive effects. Your child speaks a lot clearer and we can understand her far better now. 146fa. The spoken word is illusive. It can be misunderstood. 146fb. The written word, on the other hand, can be misinterpreted by someone.	to somebody who (that) withholds inconvenient facts. 146i. It's the jargon commonly used in the spoken language. 146j. If something is unspeakable you don't know how to express it in words. 146k. Unspoken truths can be more important than the well documented ones.
147aa. You can spear the beads with a heated needle or a thin nail. 147ab. You can also string them on an elastic thread and make yourself an original bracelet. 147ba. A lot still needs to be done before the real anti-apartheid campaign can be spearheaded. 147bb. Everybody must clearly see that the policy of apartheid puts ordinary folk in grave peril.	147c. The spears of the numerous enemies of the false friends are still hidden, but in the future the bogus friends may need many rows of shields to protect their armies of experts that (which) prey on the honest and trustful. 147d. The excavation revealed an ancient battlefield site. Rusty iron spearheads and pieces of armour (armor) were found there, among other things. 147e. You can pick fresh spearmint leaves in the garden, chop them and add to your cottage cheese.	
148a. They sped (speeded) because seemingly they didn't want to be late for the commemoration ceremony which (that) was taking place at the monument. 148b. History teaches us that if you forcefully speed up processes which (that) naturally develop slowly, you often end up with the mess which (that) you	148c. It was a long time ago when Anthony was advised to reduce the speed at which he usually drove his car, wasn't it? 148d. The police spokesperson has announced that fines for speeding are going to be raised (increased). 148e. If you analyze the data recorded in the memory of the vehicle speedometer, you notice how fast this auto is.	148h. Though Halina is still partially paralyzed after the stroke she had a few months ago, she is making a speedy recovery.

Copyright by ADL Publishing Elżbieta Żółtak 2020

are unable to control.	148f. The youngsters were willing to train speed skating and their coaches and sports activists did their best to help them to succeed. 148g. If you choose speedway you can't avoid breathing in dust from the dirt track on which you are speeding on your motorbike.	
149a. Had you learned to spell when you were still a kid you would be better at it now. 149b. Choose the right option from the menu and every text you write on your computer will be spell checked. 149ca. The sales were falling and the manufacturers were deeply concerned. 149cb. The renowned economist spelt out that everything was going according to the idea of consumer sovereignty. 149cc. Ultimately, it was the buyers, not the entrepreneurs, who (that) determined which goods and services were needed.	149d. Once you start playing "Prometheus Reborn" remember that if you have nothing to fall back on when the magic of the spell suddenly evaporates, you will have the orgs suck your blood and devour your self-regenerating liver till your very end. 149ea. English spelling is considered to be difficult. 149eb. The grammar rules are relatively easy to understand, if you study them from a good textbook. 149f. The spell-checker will automatically correct the mistakes in the subtitles in one of the languages named.	149g. It is possible that creative individuals who (that) focus on inventing new formulas make more spelling mistakes than they normally make. 149h. Bees seem spellbound by the specific savour (savor) of the flower. 149i. Why didn't Greta go to see that spellbinding performance?

Copyright by ADL Publishing Elżbieta Żółtak 2020
